

TO: Privy Council, Duke of Norfolk, Britons of the UK

FROM: Emily Elizabeth Windsor-Cragg

SUBJECT: A MORE COHERENT MONARCHY IN Meritocracy NOT in ELITISM

---

Gentlemen: Globalism is the death of Britain and its ancient history and ethos. I am unable to believe that the Monarchy must be run by people whose only interest is in party party hardy, walkabouts with flowers and reading speeches. There is more to leadership of the UK than just THAT and passive compliance with Fascist methods of Global domination.

---

This is the time—the Tribulation & Apocalypse—when we restore the Kingdom to doing Good and not harm; Truth and not Dogma; Competency and not Occult & Luciferian Nepotism.

There are 37 diocese' and counties in Britain proper, plus 46 devoted religious communities serving God and humanity. This is the social niche where a Monarch can do most good, where a Sheriff constitutes lawful Authority, where no corporation can interude on its businesses except by lawful and legal means.

Herein I am setting out what I believe my father, King Edward VIII would have wanted had he been permitted to reign without the intrusions of the Archbishop of Canterbury at the time, who slandered him, and by the Masonic Orders of his day who secretly directed humanity toward Three World Wars ... in the sight of God.

I don't think you will find any contradictions in Scripture for what I am about to say to you; so pay attention. In the context of extant Holy Writings--

# The 7 Levels Of Consciousness

## HUMAN HISTORY REFLECTS FOUR LINES OF THINKING:

1. Indigenous, ancient, ethical but not written down much, which developed into Buddhism and lately modernized into Falun Gong [illegal in China] Their story is about the Rite of Ascension established by Universal Dieties at the founding of Earth as habitable. Gender is analog, there are no sex crimes, just crimes against Race.

2. Hindu, derived from Annunaki King Anu, which developed into SIKHISM under the Annunaki King Naanaar/Nanak in the 17<sup>th</sup> Century. Their story is about the Rite of Ascension as interpreted by Galactic Eloheim (and the El-Anu Treaty). Gender is binary, all variants on Mating are crimes against Race and Culture.

3. Abrahamic writings derived from Adamic records summarized from the Sumerian cuneiform records of Annunaki conquest and management of Earth as a GOLD-MINING colony, 200KBC to 12KBC [til the flood]. THEN, codified by Hebrews, Celts and the Vatican Congress into the Torah, Talmud, Bible, Oahspe, Kolbrin and Urantia Book of today, all of which tell the same same story, slightly different in the telling. Ascension not being available to hybrid humans at all, the Abraham story is about “Salvation by Redemption of an obedient Soul”--an entirely different process. Ethics are situational and conditional on getting a good outcome, namely, “progress” in awareness & harmony.

SEMANTICS of Relationship Across Dimensions – the LANGUAGE OF RELIGION.

“What GOD MEANS WHEN HE SAYS So-and-so.” – GOD, without pencil & paper, operates our world magnetically and by prime number role-function. If you don’t know GOD IS AN ET, you don’t know GOD YHVH, the Hebrew GOD.

God's Son, Michael-Iasu-Yehushua-Jesus was BORN TO BE THE WORD because GOD, a Sylph, is non-vocal and [initially] non-verbal. But HE has learned the languages of Telepathy, Clair Audience, Clair Voyance and Magnetics.

All Holy Books are “inspired” telepathically, delivered as text, and then put to application for the benefit of those who choose to Care and to Listen.

REPRESENTATIVE IMAGES OF GOD . . . as a Cloud, a Fire, as a [donut] ORB

THE CHURCH of ENGLAND ... Today's Clergy speak as A TOOL for political-correctness and an apologist for the New Holy Roman Empire, which is what the EU-NWO actually is. From a human and liberal point of view, throwing in a few scriptures now and then, is NOT WHAT GOD WANTS. . . . Compassion and Mercy and Charity and Forgiveness among the Careful and Sensitive People is what God wants.

There are three religious threads on our Living World: Anglicanism is about the Abrahamic line of thought since English Kings were crowned upon the Stone of Scone But in a world where Hindu-Sikh thinking and Buddhist-Falun Gong thinking predominate in terms of population numbers, we must not cross the streams nor interfere.

Five Covenants with YHVH (God of Abraham and Jacob) are articulated in Scripture: the Adamic Covenant, that of Noah, that of Abraham-to-Jacob; that of Moses; that of the Diaspora [located outside Israel] by John the Baptist, Jesus and the Apostles. Holy Law does not incite Gender-hatred, Usury-debt & ideological hostilities as modern society does. Hostilities need to be extinguished by Teaching. Doing HARM in the name of Science is Wrong if we follow Jesus.

To make matters worse, Islam has taken behavior out of the realm of Right & Wrong, so I do not see any way to integrate the Quran with other Abrahamic writings. Either they edit the message of jihad, taqia, and wife beating, or we must establish separation with security for our children. Islamic or Zionist or Globalist domination (with attendant political manipulation) is not trust-worthy, is not what God has in store for the

followers of Christ--harmless people of the Heart; whereas soldiers must live their Karma and recover.

ISLAM is not a local phenomenon; it's a Galaxy-scale ideology, and so its hierarchy is related to "conquests & abductions" and exopolitics in general, as Other Thought Groups are and as I personally am also. Originally, my human soul was Annunaki on this world. That's why I inhabit the Royal Bloodline and why my education has differed from yours.

Today's Anglican & Episcopal Churches operate few devotional communities following the MODEL of Jesus in the Book of Acts; King Henry VIII destroyed them all in his quest to shake free from Romanism. . . .

**CHRISTIAN RITUAL SERVICES – A regular predictable Schedule:** *Friday 3pm Faith READINESS [addiction-counseling]; sundown shabbat supper, Saturday Morning adult Bible Study, Saturday afternoon Potluck Picnic, Saturday sundown Confirmation Supper, Sunday Morning 9am Eucharist, Sunday noon Welcome Potluck; Sunday 3pm Parade of Faith, Sunday 7pm Holy Spirit Reverie [winter], Sacrifice [spring], Healing [summer] & Marriage Readiness [autumn], Monday 9am Charisma [Vocation] Meditation, Monday noon Abuse Counseling, staff off til 6pm; Tue-W Staff-only days, Clergy off til Friday afternoon Thur Deacons & Elders only on duty Friday 3pm Ready next cycle. Same schedule every week, except May & August send out Retreatants & Christmas week Commune Retreat.*

The *Anglican Book of Common Prayer* needs to be loose-filled BINDER or as a text file that can be printed for use by Clergy, page-by-page as needed, or better, memorized. The only Books Congregants need to view are the **Hymnal** their personal **Bible**, and a one-page **Bulletin** summarizing the week's activities. **Never mind, all this searching through pages and pages.**

1) It is essential to teach Right from Wrong under Holy Law ON YHVH's SABBATH, Friday sundown to Saturday sundown. Celts always knew that Justice is refraining from doing harm or wrong without regard to status or gender. Details of Holy Law must be known by the people who are expected to keep them, as Celts did. [ <http://www.holyconservancy.org/2728.htm> ]

Therefore, *Shabbot meetings Friday night til Saturday noon comprise Bible Study of Commandments, Behavioral issues and Holy Literature around behavior.*

2) Next, Salvation-by-Grace with Baptism, Forgiveness-of-sins, Sanctification with Pacifism {"Do unto others as you would have", "Let your no mean No," "He who is faithful in what is least is faithful also in much." "Settle differences."} operating Christian

doctrines of the Apostle PAUL—these are offered Saturday evening and traditional Sunday services until sundown.

Accordingly, *the Collect, Liturgy of the WORD and Eucharist articulate the Peoples' desire for Souls' Absolution from Sin and Death. Anf further,*

3) Charisma--a re-establishment of Christian community free without price under Benedictine Orders—that King Henry VIII DESTROYED—will be reestablished for Clergy and Laity with a view to Ascension -- three Covenants to Innerstand and dramatize: 1 Holy Commandments of Right & Wrong. 2 Covenant of the Beatitudes [ We must confront our own addictions by Forgiveness with Harmless acts of Sharing ] and police our intentions in a twisted world, and 3 the Diaspora Kingdom of God itself—WE its leadership must create by initiating community opportunities to gather our children in faith, devotion and sharing with Others is the experience in culture.

Confidently—without hedonism, treachery and hated divisions, we absent ourselves from the world of sin, evil and treachery. So these three functions are what the Anglican Church must come to embrace and stand for: NEVER MIND, doing the same liturgy over and over and over and expecting a different outcome. That's crazy, stinkin' thinkin'.

**The MISSION of the CHURCH of ENGLAND is to bring practices of Jesus—Honesty, truthfulness, compassion, general tolerance and accountability for outcomes—into being by community-organizing a body, a parish-at-a-time, whose public methods meet standards, and whose private need for security and sanctification meet military standards as well.**

---

**A "CHURCH" is AT LEAST THIRTY (30) Followers of Christ taking responsibility for autonomous problem-solving skill sets. If a Parish does not meet this standard, it must be re-managed until it does meet standard.**

---

**A "CHURCH" is a "good cop bad cop" situation because moral standards, common and non-compliant behavior occur in all populations; and we're here to unify and regulate how people "just get along."**

**STAFFING**

**ONE..CHIEF PASTOR – Preacher, Visionary, Prophet, Priest—GOOD COP whose business is to know the Lectionary inside and out so well, that he can apply its lessons to local and current situations.**

- Role is autonomous, and the one holding office can be male, neuter or female, but celibate. This position answers to the [five-member] Vestry, elected for alternating two-year terms. PASTOR, based on local public values, chooses School curricula with concurrence of Vestry.
  - ***Celibacy [Devotion to the One] is the primary Role-model and the primary Lesson, devotion TO GOD and friends and NOT TO SELF.***
  - ***Celibacy itself is already a sacrifice of preferences, a postponement of satiety, a giving away of one's rights to comfort.***
  - A non-celibate unmarried priest is just a heretic, a FORNICATOR. A married priest must forego his family except on Thur-Fri, because s/he husbands the Congregation. Married priests either cheat their family, or they cheat God because they are divided.
  - A powerful Teaching of The Word of God should encompass Abrahamic, Buddhist [Falun Gong] & Sikh [Siri Guru Granthe Sahib] programming to the point of being able to compare and contrast BEHAVIORS in each domain.
1. Aware of but silent about the ET challenge—*for investigators to find out who study this.*

  4. Aware of but silent about problems in the chain-of-command of the Church, *for Pastor.*
  5. Aware of but silent about the conflicts & disputes between his Congregants *for the Deacon.*

6. Reviews and selects school curricula for Acolytes (2-year teams).
7. Initiates records-keeping for all liturgical events.
8. Conducts a churchwide Silent Retreat ***in commune [common shelter] from Dec21st-26th each year.*** *This annual event teaches Quiet, Cooperation, Simplicity, Sharing and Keeping Order, in addition to its objective, to reflect together on the year past.*

***Individuation.-- Pastor must have a Kindly countenance, must return calls, emails & summons'***

4. Must make clear statements or have written books about Belief versus Behavior.

**THREE..or more ... DEACONS, Conflict & Dispute Managers—the BAD**

**COP--**Married elders who have been to town and probably heard it all. Their wives must be fulfilled and contented women, or it's a pretense gaming the people. This position is directly supervised by the Pastor and these men are evaluated by Vestry assessment of their effectiveness in keeping the Parish clean of wrong-doing.

*DEACONS must have a "no nonsense" countenance—a no-nonsense personality and OVERSEE confidential, maintenance and financial audits. The trio of Deacons has more power over Church Management than the Pastor does. He's just the Front Man who answers to the Bishop and Vestry.*

**TWO .. ELDERS + ONE DEACON CONDUCT... ACOLYTE [and Ushers]**

**FIVE..ELDERS' MODEL MANAGEMENT**, who answer to a Vestry [Trustees] & Accounting, their Role-functions handled by confirmed, justified, cooperative adolescents, young and old members.

***SEPARATION of KINGDOM from STATE.*** What differs from County-to-County, Diocese-to-Diocese, Parish-to-Parish is not Kingdom Management, not Staff Expectations, Policies, Procedures and Useful Practices: NO, It's lay-of-the-land Resources, Natural Commerce & Parish Sanctity VERSUS State taxation, councils and zoning.

### **MONARCHY'S "BIDNESS"**

MONARCHY MUST BE a MERITOCRACY, a Crown Corporation set to promote and protect four ancient indigenous BRITISH cultures: English, Welsh, Irish, Scottish and correct (*opposed to official*) Histories, Languages and Ethics *twisted by Luciferianism since the 19th century*. At the same time: "If it's not broken, don't fix it," is a primary accessing consideration; any change must be very gradual.

---

EACH PALACE [Land Trust] should have a cooperative community of retired staff & veterans who Guide Visitors, Garden & Teach Culture. Selling off some of the Royal Collection will raise cash. Utilizing the Crown Regalia as collateral for a New British Pound will raise venture capital. Some Palaces can be converted to condominiums-in-trust for longtime staff and generations of veterans.

---

CAPITALIZE & DEVELOP basic British Self-Sufficiency. Ten TRADE WAREHOUSEs can conserve, salvage and store Tools, Eqpt. for Logistics & Central Purchasing; book printing services on eBooks. RECYCLING -- Thrift shops, Warehouses for metal, glass mfg, plastics, mechanical devices (incl clocks), THE MEWS. But old paintings comprise irretrievable overhead. There are plenty of rich capitalists who would love to purchase SOME of the Crown's less-memorable castoffs. After what Queen Mary took from the Czar's family, we ought to return the Romanov's belongings to that Royal House.

SECURITY : Free events are manned by volunteers directed by police management; Discount events are manned by paid security “police”, unpaid volunteers attached to vendors [vendor bring a trustee guard along.] 3) Full-price events are manned by Horse Guards and Troop Guards. BUILD “SHELTERS” IN each County; WAREHOUSE buildings with a convertible CAMP in each Diocese, to develop Tiny Working Communities that accommodate mobile populations, seasonal workers and member families in financial ruin.

SECURITY OVER-ALL: If Islam can demand No-Go Zones for themselves, where other Faith communities are not welcome, then we the British Christian Covenant likewise are ENTITLED and have RIGHTS to a similar “safe haven” concept-put-to-practice. Our children, mothers and elders also have the right to feel safe walking to school, to shopping, to the Library, using the Metro, and coming home to a safe neighborhood. We’re not harming anyone, and we have no reason to fear harm by anyone else . . . NOT IN A CIVIL SOCIETY. Is Britain no longer civil, then?

---

THE KINGDOM’S PUBLIC intranet WEB-SITE should connect to every Dept., County, Diocese, Palace, Farm, School, Shelter, Lab and HRDept. Gifted and also Exceptional members, veterans, staff & admin & their families who wish to remain “British” can volunteer to help. INCLUDE CRAIGSLIST clone for public announcements, queries & issues, etc. free to Marching Bands, Scouts and Hiking Clubs. Go into the Festivals business.

TWENTY good weather weekends in a UK-year means 20 (out of 37 Counties) local BI-annual Festivals, County-and=Diocese cooperating. These require Departments of Drayage, Set up & Break Down, Ticket Sales & Public Relations.

SUBSCRIPTION to CROWN MONARCHY VOLUNTARY is cheap at \$5 per indiv per month max \$20 per family. INCLUDING:

1. Connected to web-access, bulletin board, discussion board, FREE WANT ADS buy, sell, rent, etc.
2. Free festival viewer passes; discount palace tickets;
3. Trade & internship opportunities at shelters, trade fairs, labs & festivals;
4. Cooperative education, FREE to veterans’ [one chosen] child.
5. FREE veterans’ services; free health clinics and on-line networking to housing & work.
6. SCHOLARSHIPS granted to Gaelic & Welsh scholars working to correct British History which at present is 1075 years off the official Vatican chronology.

## PRIVATE EDUCATION

PUBLIC SCHOOLS ARE INAPPROPRIATE for gifted, sensitive, disabled and vaccine-damaged children; but these children are where the future of technology lies . . . in their enhanced abilities to focus and unfocus and in the greater need among Gifted children for attention to attitude, physical stress and detail.

Other foundational enterprises in

which the Monarchy is engaged not mentioned in this essay, naturally bear on the prosperity and well-being of Britain.

---

Industries we leave to the Globalist Empire, corporate State and privatized agencies include welfare & social services for disabled & immigrants, broad-based “medical” care, corporate residential housing, business & commerce including banking and transportation issues. We respond to commercial foolishness from within.

---

Please note, the Watchtower Society of New York has grown from one million to six million in half a century because they are well organized and do not renegotiate tasks each time an event occurs or needs to occur. The Church of England will do well to do likewise.
