ACKNOWLEDGMENTS

I want to thank the people who built the internet into what it is: an instantly-accessible world-wide library of objective, physical, subjective and cosmic information.

Naturally, the fun is in sorting it all out on the floor of my mind's eye, before the Table of Contents can be constructed upon my data Sources (cited above).

I also must thank Alfred Webre, Sasha and Janet Lessin, Randy Maugans and Vin Sunday for their prompting and interrogating methods and dredging up new insights.

Finally, I want to thank my Subjective Contacts, who wish to remain anonymous and who shared this writing experience with me. They made the data-gathering so much simpler and easier, and they sharpened my awareness of issues.

--What has this hunk of sandstone have to do with transcending human experience? Everything.

PREFACE

What is the purpose of all this death and dying in our faces? Is "God" doing this to us, or is Somebody else? What is the payoff, and who gets benefits? This book answers these questions, and more.

First, please take a close look at the cover: it's a Google-Earth map of the area of Nevada where Tall White ET's occupy a base-land, and from which they venture into Las Vegas occasionally (as reported by locals).

"We are children of the Universe. We have a right to be here; and whether or not it is clear to us; no doubt, the Universe is unfolding as it should . . . including us."

Mankind right now occupies a planet surface pre-owned and operated by a Race of ET's, the Annunaki, who impose their Hierarchies and their Doctrines upon us as Corporate hierarchies, Civil hierarchies, Laws of Land versus Sea (and Commerce), mega-Agriculture and Pharmaceutical Medicine.

We have the human right to consent to or dissent from what is happening to Humankind. Well, maybe . . .

Imagine a large Company of Homo Sapiens, fresh from the destruction of Babylon the Great being spared from drowning in the blood-Red Sea of War, with Pharoah's chariots (and armies) having drowned behind us.

And we are a rag-tag Company who never got to know Peace before, and we are not ready to have Peace dictated to us.

Just keep this image in your mind, as we go on.

KARMA IN THREE MOVEMENTS:
An Analysis of Where We Are.**

A. Status quo: History versus Stagnation

My ancestors of the Tribe of Judah upheld Brehon Law during their time as High Kings of Ireland. There was no palaces or lofty places...it was community and culture building. I realize in a family centered on consuming and Zionism that value of life itself and living with what we have is a happier way of being than living by want or stealing. I can not explain my intuition or the voices who guided me...my mother didn't have it, nor did the family that I knew growing up have it, or if they did, none of them spoke of it to me. It was difficult to explain things to my mother, what I learned, where I needed to go, we had a difficult relationship. But my being her only child, I can understand why I disappointed her. I kept telling her that I was born to do something worthy and to atone for something, I kept getting drawn back to truth and justice and the divine. I can only be the arms and feet of the message and part of what must be done.

BREACHES in Public and civil Trust today are major issues; and in English- speaking nations, Natural and Common Law have been overruled and overwritten by Commercial [UCC] and Roman Laws favoring the Rich,

and Fascism is now in action worldwide. So, here's what I have to think about living "free."

Without natural law there is no freedom from being preyed upon by predators. RELATIVE FREEDOM is the freedom to be harmless among others. It's not absolute, of course.

--My freedom to speak does not include the right to yell "Fire!" in a crowded theatre. [nuisance]

--My freedom to assemble does not include the right to serve in an unruly mob or violent vigilante posse. [disorder]

--My freedom to write does not include libel, slander, perfidy, perjury or dys-info. [lawsuit]

--My freedom to provide a Social & Civil Forum does not include the right to censor civil speech that differs only in ideology, in proffered policies, procedures and practices, from my own. [suppression]

--My freedom to defend myself from a dangerous gang of criminals does not include the right to terrorize my neighbors.

--My freedom to worship does not include the right of creating Thought Controls over others or mine-raping my family members. [psych-ops]

--My freedom to have an opinion does not include the right to overrule or insist without substantive evidentiary proof, or to legislate my belief as State Law, Code, State, Rule, Policy or Procedure. [repression]

--My freedom to experience physical pleasure does not

include the right to trample over the physical health, feelings, obligations, covenants, vows and circumstances of others. [sexual rape]

--My freedom of domicile does not include the right to trash, spoil or ruin the land for its natural uses. [pollution, waste, garbage, litter]

--My freedom to participate as national citizen does not include the right to trample other national citizens by manipulating for personal advantages, the economy, or withhold human needs or teach falsehoods. [globalism]

--My freedom to provide protection and security to my family does not include the right of leadership to destroy my bloodline physically and in perpetuity. [DU]
The concept of relative freedom defines the ZERO-SUM BOUNDARY, when one individual's freedom becomes a crime upon another, or upon an eco-sphere, or upon society.

Imagine the Mixed Company just having received our Law from our God (above), and we must grapple with our own lawless behavior before we can get to the Promised Land.

B. Anarchy with Consequence : Revolution

There's nothing to be confused about at the moment: We the People are LIED TO, tricked, deceived and treated like chattel-cattle so legal Professionals have created in Law (for profits and prophets) more controls and they exploit humanity from over our very heads. Indeed, no good act of charity goes unpunished, pedophilia and slave-trafficking and vice all run free.

In Black's Law Dictionary, anybody who engages an attorney or lawyer is called, by definition, an “imbecile,” incompetent to handle his own affairs. This is a measure of contempt that Temple Bar in London has for humanity as a body, in having created a worldwide Byzantine Maritime-Federalist system, legislatures have combined and twisted Laws of the Land and Sea in such a way that Humanity has lost all access to Laws and Protections on the Land, in Common Trust. Courts and jails operate for profit.

This must be kept to a very shallow discussion, or it will quickly compound into complications so few will want to follow our plot, including myself. A shallow but comprehensive look across disciplines is what one must cover: History going back 450K years, civil organization, hierarchy, economy and monarchy since Sumeria (all similar, all crashed similarly); moving into Human-ET interactions, Treaties; current global policies, procedures and practices inimical to human life; and necessary speculations, how to extract ourselves from this stew because extract ourselves we must.

*This Crop Circle is from June 2009 at Milkhill UK.
It's obviously a message crafted in written text.*

II. CHANGE is a form of DELIVERANCE

A NEW DAY – What globalists don't count on is the Presence of cosmic change. In time and with the permanent polar 80-degree shift, climate, geography and ecology will change so much, populations become so restricted in their habitats, that globalism will die the death of obscurity. But Life itself will carry on; and it won't be the citadels of money-grubbing that will remain influential. Indeed, once again, human relationships, thrift and honesty will come back into view, into prevalence, into fashion. And the oligarchs will replace buggy whips and guillotines as objects to whistle at, in relief from the curse of political and economic repression of the majority by the minority. We may never have a global government; but indeed; we will never again have global oppression of fiat-debt, rigged elections and phony media conglomerates either. It will be a fine new day . . . coming soon to your county.

But in the meantime, here we are on the march, and we have to confront, address and deal with figuring out, what we're going to do when we get where we're headed?

Generally, I have no problem with David Wilcock's and others' input about ET intrusions and presence here because I have been able (thanks to experiences at Xerox as a digital imaging technician and Service Instructor) to find empirical physical evidence for a lot of Wilcock's conclusions by personally re-rendering NASA planetary images into blacklight and refocusing until recognizable forms emerge. Hominids that look like us but composed of different cell-elements and metabolisms indeed populate just about every rock, sphere and cranny . . . if you know how to look for them digitally.

Renegade giants? Who is renegade in a picture of our times: the guys 600 feet tall who are ephemeral as clouds? What harm can they do? The Nine at Orion Nebula are 300 ft tall. Sixty-foot Angels are their Messengers, with whom Archangels, who are 18-20 footers, communicate. Annunaki are 12-15 footers these days. So is what I'm being told--and this >is< a new form of racism--that anybody over ten feet tall is automatically a renegade? And by whose standard? How does physical size relate to personal Character? Is God the Monster in this Play? We'll look into that.

Our human problem goes all the way back to the terms of Treaties beginning with the Emerald Covenant after the Lyran Wars which specified that ONLY four WHITE Races of people are worthy of conservation;

everybody else is just part of the landscape, ripe for the culling?. My God! But, Yes. He has input.

*Our problem to confront is mechanized and high-tech predation, culling and abducting humans by the thousands each and every year as Noah had. . . . but not—apparently--carried out by Giant species who have no physical or functional demand for human flesh, so “Giants” are not the ones who abduct us for dinner or experimentation. Our Predators are more in line with our own size, or even smaller. They take children, our children, and sometimes they take us for their **use**.*

Of course. In official Government (I call it “Coverment”) Archaeology in Scientism there is a refusal to allow us to exceed certain knowledge barriers. In Social Darwinism and agenda 21, whatever does not fit the picture is not allowed to be sensed, but avoided, shunned. Yet, detailed studies in anthropology, biochemistry and bio-magnetism eat Darwin for breakfast. Only "Survival of the fittest (Elite)" expresses the human context at present; and money greed is its leverage, ignorance is its outcome, its product and the destiny of Scientistic secular materialism.

I wonder whose objective it has been to destroy genetic integrity of humanity today. The Deluge came out of the Emerald Treaty by the Order of the Nine, over [Anunnakis] Enlil's and Enki's objections. It's ALL hierarchy, you know. For Sitchin, the Deluge was a function of Nibiru's perigee w/ Solaris. But That too was controlled by Intelligences Above. All thoughts are simultaneous and instantaneously available at the frequency in which they're broadcast. Each of us is a radio station, biologically. and readable, electronically as brain waves.

There >are no< secrets.

Culling and sacrificing terrorists is so psychologically satisfying and morally degenerate, what surprises me is that few individuals I personally know and relate to are even concerned about its influence over our once-civil culture. My neighbors and the townspeople are oblivious.

This US Government has never never been forthcoming about the reign of terror it has allowed to occur upon our people, beginning with the Indian Removal Act, the Civil War, Central Banking, sinking of the USS Maine and the Titanic, imposition of the private Fed, its engineered 1929 Crash, Pearl Harbor, a-bombing Japan (they had already surrendered), Roswell and its unfolding treachery and deceit; JFK, RFK, MLK, Ruby Ridge, Phila-Move, OK95, Waco, WTC93, and the latest false flag confabulated hoax including hoaxed serial killings and this ISISHQ.com defense contractor who operates missions in Saudi Arabia & Iraq. Come on.

They--the Feds--do not have either the intelligence, the character nor the interest in preserving our nation, to come forward with any truth whatsoever.

But why?

III. SPACE-TRAVEL or

“Rising to the 5th Dimension:

We as a society are so profoundly misinformed about our beginnings in Space and Time, the depth and width of Intelligent Life, I actually do tend to just let everybody have his or her own theory without getting into personal critiques. It probably doesn't hurt to contribute some artistic license to the realization that DNA code is a fractal that formats matter, depending upon its frequency and particle distance, at every imaginable point of intersection where life can be assembled from what happens already to be in the environment . . . by Intelligences Who have done creation of biological entities the way some people build houses or bridges.

Let's be direct about Space; it's an ocean--not empty at all. Clumps of particles that happen to be vibrating together form everything solid, but it's all connected by magnetic lines of shape, force and mass.

Material objects such as living physical bodies only exist where the electrical circuits in living cells are damped by sufficient non-conductive insulation that they're not electrically stimulated unduly; otherwise, they burn up like overdone food in the microwave oven.

This is why ET's from Out There shrivel and die here, due to electronics overload, microwaves, house current, cell-towers, smart-meters. ET's ought to be housed and nourished in Faraday domes, to endure our heavy gravity; but Scientism doesn't teach Sensitivity Training.

There is a social movement among New Agers called, "Raising the vibration of the Earth to Fifth Dimension," wherein the participants don't have a clue what the physical implications are, of the suggested ascension.

So this is a good time to talk about "God the Creator" whose name is traditionally YHVH, the Tetragrammaton in Hebrew Scripture. Let's make some initial logical assertions about His Nature. And if you wish to tell me I cannot know this, you have the right to do so. However, I'm not placing such a limit on Knowing and overstanding the relationship between Creation and Destruction, Building and Tearing-Down, Progressing and Ruining a Planet such as we inhabit. It's all just not such a big deal to me, a claim that such relationships are impossible to grok.

1996. Just short of twenty years ago as I passed by an anti-abortion demonstration in front of Fairfax Hospital in Virginia, the thought that came to me was this:

***"Destruction is never a blessing;
Life is not the problem."***

That thought blew me away at the time. I had been an advocate of "a woman's right to choose," and all of a sudden I was being confronted with a different thought, that somehow, "Karma" had and has precedence. After all, my own birth mother gave me up for adoption and she had consented to carry me to term after being dismissed from her Army Nurse career. I had to say to myself, "Wait a minute here . . . I have to think about this."

Physical life made of matter in process over time is the grounding-place for all organized DNA-templates. The human Soul is a nearly inextinguishable Light created

inside the body of the mother by the combustion of a sperm cell in an egg, activating the ontological and physical process of human growth. Souls are ignited >here< in the Physical. If there were no 3rd density Physical dimension, there would be NO souls igniting, no souls generated, no souls growing into people.

Why not? GND, the grounding strap on your electrical device, is not available in space. For this reason, absent physical gravity (so an egg can emerge >down< the fallopian tube) and electrical grounding, NO SOULS are created in space . . . only on physical spheres and bodies.

Thus, if 3rd density physical were >raised< to 5th D, what happens next is, there is no longer any way to generate souls because physical-electrical grounding is absent.

What deluded New Age teaching says is, Death is better than Life, and Extinction is better than History. I don't think that's where people would choose to go if they understood what they're choosing. It's like an abortion. I don't think a woman would choose to cut herself off from ever returning to 3rd Density physical incarnation if she realized, culling her child cuts herself off from any physical future, in the karmic sense.

Why is "God" depicted as the Monster of the Old Testament, ever-present but violent and wrathful? He set the boundaries of Life itself: whereas Schumann Resonance used to vibrate under 10 Hertz, its rate has now climbed to 17.5 Hertz, a change that will unsettle many.

Annunaki sons Enki and Enlil here on Earth presented two models of civic development: 1) Hierarchy,

with Monarchy the way of leadership for a million years; and 2) Civil common law, a requirement by YHVH their God, who realized the implications of Annunaki-hybrids' likelihood of having free minds in significant numbers in the human population. Rand corporation says about 15% of socialized humanity is "aware," so that would account for the proportion of Annunaki-hybrids who filled out Earth's populations--people of intuition, creativity and ability.

People want to choose their own short-term experiences, without having to pay too much attention to the long-term and karmic consequences of their choices. And God is pictured as a Monster because He gently and persistently reminds us, what we create, we must then live on with, and what we cut off, we must live on without.

What this reality implies is, God does not pander, does not indulge our harmful choices. And He forgives us for what we mistakenly do; but He does not forgive us for what we deliberately do, because what we deliberately do is a sin against the Holy Spirit of Truth, unforgivable.

What does God understand or overstand or innerstand? Let's say I was God, and so I am putting on His Shoes, to try them out. To start with, what does God know—have to know—in order to assemble and bring a Creation into Being?

- mathematical relationships in sacred Geometry;
- chemical: positive and negative charges;
- mechanical: velocities, trajectories and angles;
- magnetic: frequency and magnitude of orbitals;
- communication: relationship, "yes" and "no"

- cell-biology: DNA- and RNA-coding for physical tactics and processes;
- mentation: logic, sequence and order of thought; memory, humor and insight.

This is a wide spectrum of wisdom to put it all to order to put a world together, simply just to want to destroy it at a whim, or destroy people at a whim. Does God need to meddle when He can depend on KARMA (opposites attract) to correct matters?

The Law of Karma is this: opposites [in energy states] are physically attractive and likes repel likes, when the energy states are similar; whereas [in thoughts] Likes--Attract-Likes, but this doesn't apply in physical causes and effects, not at all.

So, a weak charge [GND] attracts a strong impulse, a weak prey attracts a strong predator; a weak account attracts a strong accountant [as prey]; a weak case attracts a Maritime-law attorney [for profits]; a weak individual attracts a strong ideology, and so on. AND, in Nature “opposites attract” is the dominant paradigm, so weak specimens are consumed, leaving the Strong to further dominate.

This's new, isn't it now? Where Law is weak, predation is more prevalent than where Law is strong, clear and of easy access. And so, if you take this reasoning a step further, the only way to overcome the natural tendency to allow Predators to dominate is by forging a Law system that is simple, clear and of easy access, with penalties one might characterize as “Just,” in other words, appropriate and proportional to “intentional harm.” Why? Because people matter.

Get a harsh legal system, nobody wants to use it. Get a lenient system, it becomes overwhelmed and the business of “correcting crimes” takes over as an economy in and of itself. Sound familiar?

In this vein, the original Mosaic Law system was simple (254 legal principles), clear and easy to access locally, costing nothing for the trial of a case. But what happened? History, over and over and over again.

What has God got to do with our Company of today's humans trekking over a desert of experiences, on our way to some sort of Promised Land? You'll see.

THESIS: Nothing happens in the socio-sphere by accident. And wars do not exist for nothing, financed by nobody.

Isn't it funny how Christians deny extra-terrestrial human life, and yet in their own Bibles in Genesis 6 it's speaking of ANGELS, NEPHILIM and GIANTS! And in Exodus it goes on to describe YHVH to Moses, and God says: “You cannot look at me and live.” Is this an ET or Who-or-What else? What other People are there, to look at, inter-dimensionally?

First, you have to find out the history that our school textbooks never revealed, the evidence for which was hidden or discarded by Smithsonian Institution, NASA, FOIA, classified information systems, compartmentalisation, need-to-know and confidentiality statutes. Secrecy abounds. The Vatican Library and the Pentagon are full of facts that bear on our survival, we are not allowed to learn or know. So, who's in charge anyway? Not us.

What one realizes when one looks at the sheer number and diversity of ET's who have been photographed while

they were here, there's a lot of business being carried on, in Space by the Secret Space Program of "NASA." And they have their own agenda, their own products, their own customers.

We the Mixed Crowd of humans trekking across the desert are escaping their Commercial fiat-debt system. While the Christian Pope or Archbishop sermonizes about human rights issues, preferences and gender options--

--NASA (Oct 19, 2009) bombed the Moon over our heads with an empty rocket casing, sets out to nuke Jupiter and Saturn, believing in the false doctrine of *No Life Anywhere But Here*, and the Church is silent.

--Islamics evangelize Jihad for money, being used by mercenary covert ops for prophetic jihad rampages to take over Western Culture, take over people who do not and will not consent to Quranic doctrine, savage ways against women and children in violent rebuke of any other "Faith." "Convert or die" "Convert or be beheaded" is the methodology of the Jihad. But it only takes a small minority in a huge body of intimidated charismatic faithful, to create international chaos (for profits and prophets). See Section 7 for religious teachings rationalizing violence and abuse against women, children, dissidents and foreigners, quoted.

--The Apocalypse self-fulfilling repetitious prophecies we have been handed demand a periodic anti-Christ whose behavior is the direct antithesis of Christian-ethics behavior—to propagate violence and terror for some invisible purpose and create a "soul harvest." This same cycle has been repeated in one Earth civilization after the other, over time and millennia.

Soul Harvest has inter-dimensional implications, just as in the days of Noah when Nephilim, too large to fit into human communities, were eating people because humans were ignorant, trusting and easy to catch—as children are now, 1 million a year disappear without a trace. Again Churches are silent.

Since Sumaria, Annunaki-ET fiat-debt systems based mathematically on impossible-to-certify ponzi schemes, naturally exhaust themselves each and every time it consolidates debt among the poor but equities among the rich, and there is no lawful and regular Jubilee to relieve debt pressure.

Islam as an ideology was engineered by the Vatican Jesuits in the 7th century at the behest of secret societies for the political purpose of [anti-christ] "rendering cultures" [conquering them] wherever self-governance movements actually threatened the power structure or autonomy of the Annunaki-Babylonian fiat money system--aeon-after-aeon, era-after-era, time after time. This agenda comes down to us from Annunaki-ET's from Orion themselves, who had the telepathic skills--a means to promote, to prop up or bring down any civilization they deemed inappropriate under the Emerald Treaty, and thus imperfect for Mankind's expression and experience over time. See the Book of Daniel chapter 3.

When numerical bankruptcy approaches, wars are then franchised and financed to the effect that autonomous and self-reliant populations are liquidated so bank skinning can start afresh and anew on smaller populations of sheeple mentality. This is why middle and intelligentsia classes are those first deemed worthy of jihad annihilation without mercy. "Convert or be beheaded."

Islam is also a Charismatic tradition, without historical, secular or humanistic intellectual roots. Islam is financed, ruled and ruled by covert owners in the banking and communication media business in order to keep up the pressure by constant narration of terrorist random attacks by human predators--the same ones who offer financing for wars, for Ego-conquest and "harvesting" of populations belonging to the ideology of "free will," "free minds" and "free thought."

Fourteen hundred years of history shows Islam is a tool of "the Rich dark side" of Charisma, namely, chivalric orders, knights' orders, secret societies. The Age of Reason has no place in it and history shows, there is no attempt to discuss or analyze its cruel methods by powerful classes, castes, academia or even the monarchs themselves.

Ask yourself--

--Who is leading the Muslim Brotherhood? USA

--Who is financing serial wars for money profits (and prophets)? USA

--Who signed Treaties with Extra-Terrestrials in 1954, 1958 and 2006? USA

--Who run non-disclosure operations, by secrecy, classified information, compartmentalisation, need-to-know rather than by true freedom of information? USA

--What psychological mechanisms (Tavistock & Stanford Research International, CIA & MI-6) feed the Islamic JIHAD? UK and USA

--Who have demonstrated covert operations, false flag ops since the Indian Removal Act of 1834 and the sinking of the USS Maine at turn of the 20th century? USA

--For whom does USA do this work? Mossad? ISIS is a US defense contractor, as Al Qaeda was. CIA is a Mossad-led agency, as MI-6 is.

WHY? If you look at Teachings of Global Federalism, they are the ***antithesis*** of the Golden Rule, ***the antithesis*** of "Live and Let Live," the ***antithesis*** of ethical sobriety, reason and compassion for innocence.

Monarchs strut and parade and exhort and award and dignify every helpless format of human achievement except that of confronting conflicts of interest, ideological genocide and ET conquest by psychic trickery. Scientism is mum, not a word of comfort or relief from corporate attack strategies ever leave their lips or texts. Science is silent about ET treaties and technologies that ET Treaties have showered upon mankind . . . in return for human suffering. The numbers of disappeared and "taken" run into the millions at this point. Google Butch Witkowski and the late Dr. Karla Turner.

While Globalists gloat and play dumb, while globalists parade their wealth and promise a lock-down society of humans numbered like cattle, aren't there any Common Laws in favor of human rights that may be invoked to put a halt to this historical (hysterical) and repetitive genocidal pattern?

Ask yourself: Is human law ***itself simply impotent*** against evil men who hoard resources they can use against the rest of us? Is it really okay for entities or individuals to glory in top-down, high-tech murder, destruction and ruination of human society, with no recourse on the part of Humanity as a whole?

Silent hovering vehicle seen in 2009 in Northern California in three counties: Placer, Santa Clara, Monterey. I saw it myself that spring, accompanied by a saucer craft over coastal mountains east of San Jose. Also in San Jose I saw a “bat-like” wing-flapping thing following (same size) an airliner and a large humming-but-transparent triangle flew right over my head.

So, where are we today? Unable to plan, that's where. With the dollar failing, climate instability, abduc

tions unreported, Federal secrecy, elections fixed and rigged, Courts for-profit, where do we go to be secure?

Let's define how security was defined for us, by significant Others, the ET's long ago.

PRE-TERRAN COVENANT TREATY
Emerald Covenant negotiations of 1992,
In summary, by Ashayana Deane

“Revelation as to this Elohim distinction and the volumes of history that pertain to their involvement in human evolution was conditional upon whether or not the Annu-Elohim collectives would choose to abandon their long-held dominion agenda [read: “freedom from terror”] in favor of the [status quo] ***Emerald Covenant Co-evolution Treaty*** during the 2000-2017 Stellar Activation Cycle. If the Fallen Annu-Elohim collectives chose to honor co-evolution [separation of Races, formal Apartheid] with Races [of Color] of Earth, the history of horrors they have intentionally inflicted upon the earthly races would be released more slowly, allowing the Annu-Elohim and their interstellar races time to demonstrate their proclaimed “good faith” within the co-evolution agenda, while allowing the [inferior] humans of earth a bit more time to evolve in spiritual maturity so they would not seek to retaliate against the Annu-Elohim races, and especially the earthly Human-hybrid descendants of the Anunnaki and Annu-Elohim, out of revenge for the historical horrors they have visited upon [non-White] human Races.

Let me put it to you this way: *If the Christos Founders had it their way, all Non-White Races would be segregated away from White Races and their members **culled** [killed] that attempted to integrate.* This dogma is what YHVH and the Annu-Eloheim said NO to! This is what the First and Second Rebellions of Angels and Wars in Heaven were all about.

The Founders and Emerald Covenant [White] Races were hoping that humanity could be spared a direct and immediate confrontation with the trauma of its past. Such confrontation with the truth of human heritage is ultimately inevitable for final healing to occur, but the “blow would be softened” if compassion, spiritual strength, forgiveness and understanding could first be fostered within the human collective prior to facing the enormity of what has transpired on Earth to bring human civilization to its present state of painful limitation and relative amnesia

. . . For many millions of years, Emerald Covenant races have attempted to cultivate peaceful co-evolution between [White only] Human and Anunnaki races in order to assist both species in fulfilling their original potential of becoming “Christed” (able to achieve ascension and perpetual life expression) Races. At various periods in our shared history, many Anunnaki races chose to reclaim their Christiac potentials through entering the Founder’s Emerald Covenant and receive a DNA Template Bio-Regenesis (regenerated) that would allow their vision of freedom from the anti-Christiac control [by] “Fallen” Annu-Elohim collective to be actualized. Unfortunately for the Annunaki Races of the Emerald Covenant and for

Human Races on the Christiac path, [some] have done everything in their power to enslave Anunnaki species as an “expendable tool” for [our] destruction. . . . “

Historically, “Fallen” Annu-Elohim consistently put forth great efforts of overt and covert manipulation to prevent any Anunnaki from defecting from their anti-Christiac agenda in favor of **Founders’ Emerald Covenant freedom agenda**. . . . *which is, absolute racial purity, no cross-mixing human Races at all.* . . . Why? Because racial hybrids are allegedly imperfect, ergo faulty, they must be prevented and/or eliminated by Law. Can you see where this goes?

Simply put—“Nazi” (‘not-see-ing effects’) ideology comes from a Peace Treaty forged between Founders (“The NINE”) at Orion Nebula versus the Eloheim “crowd” headed by YHVH, Master Progenitor. YHVH wanted Diversity with Wisdom; the NINE wanted Purity with Excellence (Conquest).

YHVH's position was and has been, culling whole cultures, innocent as they are, simply because their Race is not “superior-according-to-doctrine” is an unacceptable, unwise and uncivil practice. And YHVH stands on this opinion, despite everything that has been said about Him. So our God YHVH is Himself a Rebel against racial and ritual slaughter.

***Considering ET-Abductions—THE OUTCOME
OF THE EMERALD COVENANT TREATY
. How Deep Does The Rabbit Hole GO?***

David Wilcock has his take on the "Game." I have mine. Nothing happens in the socio-sphere by accident. And wars do not exist for nothing, financed by nobody. And of course the question is, Which humans are >behind< our "relationship" to ET's, over our heads?

First, you have to find out the history that schoolbooks never revealed to you.

<https://www.youtube.com/watch?v=2IsTLyjPzTU> . .

and you have to wonder, why was this history not told to the people, all this time? Because historians are complicit with the Players.

What other purposes do wars serve? In two tomes I know of the word HARVEST is used in conjunction with end-times prophecies (Oahspe & Bible), but with an additional fiat: Now that we all know ETs are abducting about a million a year (the reason behind huge immigration numbers to cover over deficits in population), and we have been apprised of experiments in cloning and transhumanism, we also realize that depopulated nations make souls available for capture and sale to ET technologists--**a product**--to replenish Souls they break, ruin or destroy when their own Race exhausts its ability to procreate, and they have to turn to technology for reproduction.

Can you see where this goes? Our wars populate galaxies, but for a cash cost, of course, new technologies can be tried out by capitalist (merchant) leaders upon our own peoples, and so generate new harvests for sale. No wonder they consider us and treat us as cattle. Here's where infant souls go, who are subject to abortions, also, merchandise for sale, along with body parts and new diseases for hire.

We >are< cattle to the merchants who signed on the Greeda Treaty under Eisenhower and the TauNine Treaty under Bush. They capitalize and exploit wars, famines, pestilence and get the spoils -- human souls -- as plunder.

And God weeps as He wept for Noah's generation.

“As in the days of Noah, so will the days of the Son of Man be.”

Contrary to the opinions of multitudes, the Bible truly contains the metaphors, the scripts and the agendas of the major players of every generation wrought out of cosmic hierarchy and the dissonance between Occult and Covenantal “religion.”

The Bible tells the story better than any other book. And we who are aware are always well conceived as a ragtag company of cut-loose Souls who are sick and tired of being sold out.

We're on our way somewhere, is the picture, to keep in mind; and this Life itself is our Journey to something better, aligned to Justice.

The Emerald Tablet of Thoth differs from the Emerald Covenant Treaty of the Christos Founders: That Treaty was ~only~ about Racial Purity.

IV. ANNUNAKI GENEALOGY,

Adam to King Edward VIII, ain't no Justice here.

According to contemporary translators of Sumerian records, ET-Annunakis bred Homo Sapiens as hybrids of themselves 208K years ago. [See Zecharia Sitchin's work, www.enkispooks.com]. Adam and Eve were Annunaki hybrids that went on to establish the psychically-gifted bloodline of Abraham's Seed.

The bloodline of the Kingdom of David/God was established when God made Covenant with Abraham, that his seed would bless all the nations. Ishmael was Abraham's first son-but not by his wife, Sarah. Ishmael became the father of Arab nations, some of whom have psychic gifts of the Annunaki line to this day. This is why Islam is charismatic to this day, because their leaders are people who are "Seeds of Abraham."

At the time of YHVH's friendship with Abraham, God informed him that his wife Sarah would give birth to a son, whom he was instructed to name Isaac. God told Abraham that He would establish his own National Covenant through Isaac; and when Abraham inquired as to Ishmael's role, God answered that Ishmael had been blessed and that He "will make him fruitful, and will multiply him exceedingly; twelve princes shall he beget, and I will make him a great nation." (Genesis 17) Adam's bloodline til Jesus is here.

<http://ldolphin.org/2adams.html>

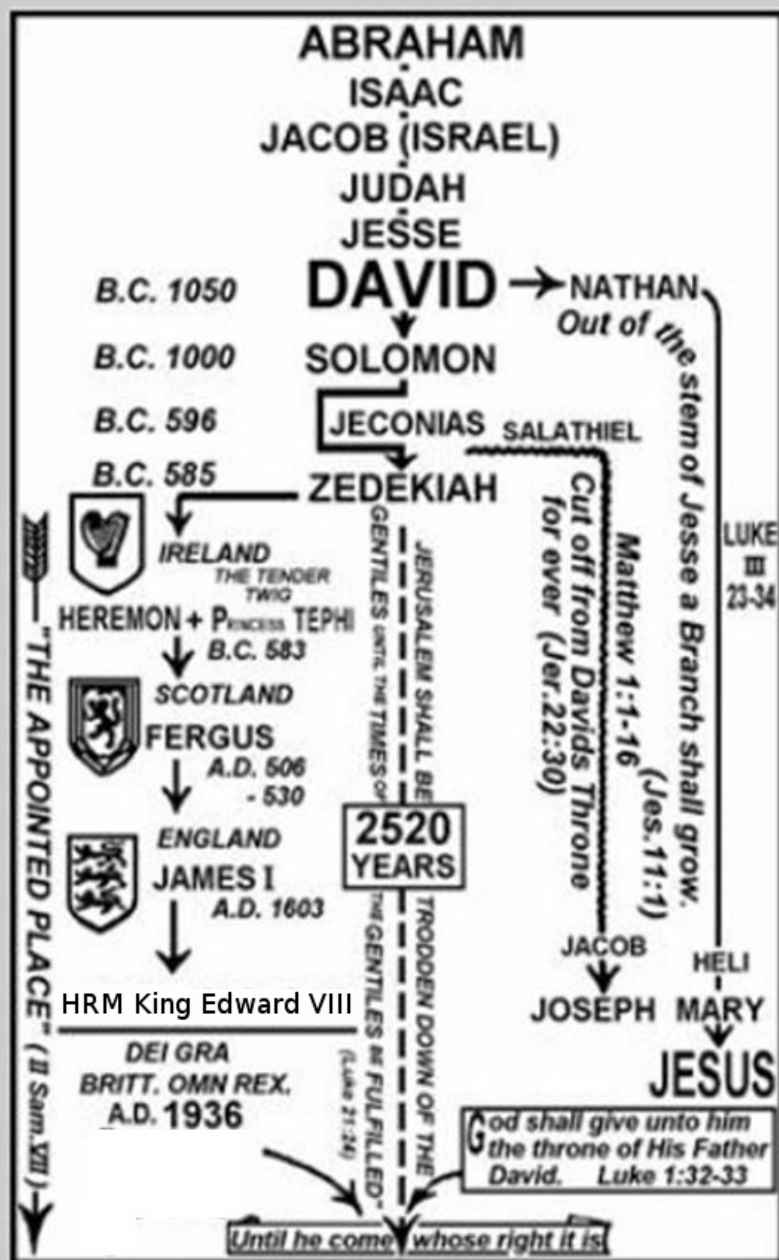

But Abraham's Seed would go on to accomplish other things.

The son Isaac's genealogy can be followed down to King David of Israel, down through King Zephaniah, whose daughters Teah Tephi and Sophia established the (Judean David Line in Ireland in 583BC, which became the line of British Kings, of which my father was a part, the last reigning Kings of Britain being Kings George V and VI who both followed the Ashkanazi Zionist line of Luciferian ideology, that of conquest with culling. But the Covenant wasn't supposed to be about "absolute free will," which is how Albert Pike defined Luciferianism. The Covenant is a Law-abiding, Reason-adhering Covenant of ancient Prophecy and Scripture.

No children of Abraham, Ashkanazis. However, the original Jewish Line was scattered to Babylon in 586BC, and in about 1000AD Y'hudey Ashkenaz, says, "The Jews of Germany"),[12] are a Jewish ethnic division that coalesced in the Holy Roman Empire around the end of the 1st millennium.[13] The traditional language of Ashkenazi Jews consisted of various dialects of Yiddish.

The most detailed genetic analysis study so far was published in September 2014 by Shai Carmon and his team at Columbia University. The results of the study show that today's approximately 10 million Ashkenazi Jews descend from a population of only 350 individuals who lived about 600–800 years ago. That population is derived from "an even mix of European and Middle Eastern ancestral populations".

In fact, Israel today is dominated by non-Hebrew Jews [not having psychic gifts to reach YHVH]--not of the original Twelve Tribes who heard, wrote down and delivered prophecy to their people. NOT having Annunaki

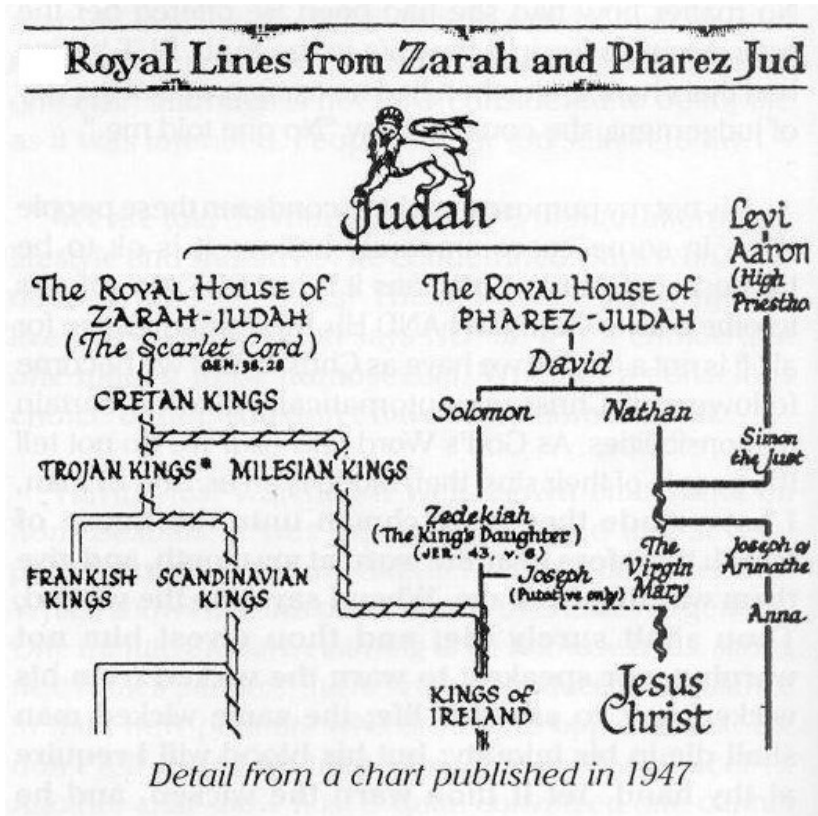

gifts of prescience, telepathy, clair audience and clair voyance, as the Children of Abraham do, they are highly secular in their orientation.

By contrast, the British who descend from Tribe of Judah landing in Ireland in 580BC have retained psychic and Occult skills as Monarchs in Britain, and although they utilize deceit as Annunaki to dominate according to the skills and ways of Enki, they are subject to the Sovereignty of God and accountable for their social behavior, as Ancient Israel was, before God.

The Kingdom of David is NOT in Israel. The bloodline of Abraham is in Britain, because Israeli leadership is Ashkanazi. The Windsor Family is of the Tribe of Judah, line of Abraham, the true Hebrews, corrupted and sold out as they are to Ashkanazi Zionism by King Georges V and

VI and Elizabeth II. This is why the Queen's default to the EU is egregious: she discarded her own Kingdom. But why?

Why was bloodline important? Because inheriting intelligence to serve as Leader, was important.

I have to wonder, how it was nobody noticed that the sensitive, perceptive, intuitive members of the Royal Family since Victoria were scuttled, leaving Luciferians to rule and reign: Victoria, George V, George VI and Elizabeth in place.

In the 1880s PoW Edward VII's eldest son, Albert Victor, timid but trained as crew on a Navy ship, suffered a tragic end when, by marrying a Catholic girl even as he was engaged to May Teck, was subject to being torn away from his wife and child; and rumors abound how he either died of a fever at age 28 (that's the Official version) or ended up in Glamis Castle captive for life so his more aggressive brother, Georgie, could pick up his mantle, his fiancée and run with Granny's new world empire.

Then there was child born to a Rothschild housemaid who was conceived at the Initiation of George Duke of York into the Sacred Order of the Bath in 1888 at Bath, Frankfurt, at Uncle Willie's house.

Then there was Prince John, an epileptic, who died early on while he was being cared for at a farm. And there are two of Elizabeth's cousins, sent off to Homes for the Mentally Disabled, who were cousins on the Bowes-Lyons side of the family.

Then there was eldest legal son Edward VIII, the opposite of his father's stern, over-righteous model of rectitude and Luciferian dogma. King George balked when Edward refused the Luciferian label at age 16, becoming instead a confirmed Anglican. George tried mightily to get rid of this boy, 5'5" tall weighing less than 120 pounds when he went into the Grenadier Foot Guards at age 20; Edward, barely missed by random bombing attacks in France, initiated by the King.

And then there was cousin Czar Nicholas, a fair and reverent man, who somehow didn't deserve to keep his throne after he banished the Rothschild Bank in Russia.

George you see had a knack for getting rid of anyone who was in his way . . . of the One World Order.

So, yes, something is very very wrong with this picture. There's NO King crowned at this Coronation, such an anomaly in view of George V's strong sense of Power.

See? No crown on the husband. Nobody to exercise the Powers of the King--just a lady Queen to operate by the functions of Queen Consort, as Queen mother Elizabeth did, as her grandmother Queen Mary did, as her great-grandmother Queen Alexandra did, with no interruption in Service to their husband-Kings. QE2 was born a Queen, but she opted for haus-frau, and she avoided every bit of sovereign responsibility that her role as King

demanded. Not one of her Coronation vows was ever even taken seriously. So, how did the Kingdom of David stoop to such a level of Anarchy-with-Hierarchy?

Why are we the English-speaking Peoples in such a muddle of governance today? We've had a Queen who defaulted in executive leadership.

IS THIS LEADERSHIP?

In a Constitutional Monarchy, it is Members of Parliament who Rule by Law (legislation of Law and Statute Codes) while the Sovereign reigns. The Monarch serves a function similar to checks-and-balances in the United States Constitution, whereas Parliament is charged with crafting statutes (Common Laws of the Land plus Maritime Laws of Commerce), once the truly foundational Laws for the country are in place. It is fitting under such a Constitutional Monarchy for the King or Queen to operate by powers listed below.

Executive Power of the Queen or King of Britain:

- The power to choose and dismiss a prime minister.
- The power to dismiss ministers and the government, dissolve parliament and call for new elections.
- The power to enact laws and/or veto legislation passed by Parliament.
- The power to issue proclamations with Parliament's consent.

- The power to exercise Crown prerogatives including declaration of war and emergency.
- The right to read confidential government documents and intell reports, to advise and to warn.
- The power to elevate or exile individuals; pardon convicted felons, grant and bestow titles and honors, where she herself is immune from accusations of conflict of interest.

So what does the Queen >do< who doesn't function as a Constitutional Monarch in the sense of previous reigning British Kings and Queens? King George III didn't behave like this, and neither did Queen Victoria.

Report:

2011 Annual Financial Report of Buckingham Palace, p. 5

- Undertaking constitutional duties, for example the State Opening of Parliament, regular audiences with the Prime Minister, meetings of the Privy Council, giving Royal Assent to legislation and approving many appointments;
- Fulfilling constitutional responsibilities in relation to the Scottish Parliament and, where appropriate, the Welsh and Northern Ireland Assemblies;
- Carrying out State and Royal Visits overseas and receiving State and Official visitors to the United Kingdom;
- Receiving credentials from foreign Heads of Mission; and presenting honours at Investitures. In addition, the role of The Queen, supported by members of the Royal Family, extends more widely than these formal duties and includes:
 - Providing a focus for national identity, unity and pride (for example on Remembrance Sunday and at times of national celebration or tragedy);
 - Providing a sense of stability and continuity (for example

by participating in traditional ceremonies such as Trooping the Colour);

- Recognising success, achievement and excellence (for example through visits, receptions and awards); and
- Contributing through public service and the voluntary sector to the life of the nation.

In this area The Queen is particularly supported by the work of other members of the Royal Family (e.g. The Prince's Trust and The Duke of Edinburgh's Award Scheme).

For sixty-three years she has been the Palace haus-frau and carried her pocketbook to every “Royal” engagement, head unadorned by apparel-of-state and regalia, a diadem, or even a lady's hat. What respect for her role, that of QUEEN of a National Culture, the Covenant of the Seed of Abraham, Patriarch of Jacob, Kingdom of David is this?

Doesn't the Archbishop of Canterbury, in ceremony and liturgy, have the presence of mind to dress the part of the 2nd Head of the Church of England, or does he wear his casual attire when serving the Eucharist? What is this woman doing to the Office

of Queen? Discounting it, is what she's doing . . . in alignment with an unspoken agenda. And the agenda has to do with the topics to follow, has to do with the secrecy of covert Orders, Luciferian rituals and rites, Jesuit interventions, Vatican hegemony all born of the Annunaki culture that captivated Earth 208K years ago.

The Monarchy is self-aware and self-destructing in accord with and in order to bring in a worldwide administration—conceived by Queen Victoria and the Merovingian Royals--top-down, of indifferent bureaucrats, elites, covert operators in conjunction with ET Treaties that discount and sign over the Human Race to corporate and ET-commercial interests, over our heads and behind our backs of us, the people . . . all of us who work. Queen Elizabeth II is DEVOLVING the Kingdom, before our very eyes. But WHY? If the Annunaki Monarchy has lasted half a million years, why is this one falling apart?

If the lineage “Abraham's Seed” is the same hybrid bloodline that Annunaki bred in Eden 208,000 years ago (according to Sumerian records), and if the Annunaki intended to “come make man in our image and after our likeness,” then can we point to a reason why—NOW—they are destroying their own Monarchy in the Kingdom of David Covenant Monarch over the Stone of Scone in London?

Why would the Annunaki dissemble the Monarchy they themselves established only 26 hundred years ago? This doesn't make any sense at all.

Let's talk about Annunaki factions: Monarchists reign by Law (previously King Naanuur and most recently assassinated King Utu; now, Enki, separated from Individualism), Satanic-Individualists (now Enlil who separated from Monarchy) and Lucifer-Mardukians who joined with Grey Trans-humanists in the intent to return the present planet to Christos-Founders Racial Purity policy: breed Elites, cull everybody else.

All of a sudden, the New World Order's population reduction strategy coming from Transhumanist Elitism doesn't sound crazy at all, does it? And of course, they must remove Monarchies and Churches—any dissent at all from Harvesting human Souls.

For any of you who have read the translated accounts of Enlil and Enki and their struggle with organizing Earth society in the beginning, in the light of transhumanist aggression, one can quickly infer why both of them changed sides and turned coat.

I'd like to introduce to you, the late King Naanuur and his father, Enlil, of the ET-Annunaki Monarchy since half a million BC; and these images were taken at US conferences in 2009. Please notice their tiny reddish physical eyes and overbearing third eye placement.

VI. CONTEMPORARY ET-TREATIES

At present violence and savagery are carried out under ET Treaties (Greada and TauNine) in the name of one Anti-christ after another--puppets for (ET?) Interests [in human genocide]. ETs appear to want to replace us with Them—to capture and experiment on human souls. This, is what the USA agreed to allow to occur under Treaty with ETs.

Moreover, the Pope of Rome and the Archbishop of Canterbury stand silent as lambs against corporate repression--against outrage, against human values, against Teachings of Pacifism and the Love of our Creator God. Religious leaders whine, bemoan and rebuke any and every other form of human bondage besides and except the savagery of the State and its pandering to Jihad.

Eisenhower's 1954 Meeting With

Extraterrestrials : the 50th Anniversary

Research Study #8, Revised February 12, 2004; first published January 28, 2004, (c) Michael E. Salla, PhD

<http://www.exopolitics.org> -----ABSTRACT-----

On the night and early hours of February 20-21, 1954, while on a 'vacation' to Palm Springs, California, President Dwight Eisenhower went missing and allegedly was taken to Edwards Air force base for a secret meeting. When he showed up the next morning at a church service in Los Angeles, reporters were told that he had to have emergency dental treatment the previous evening and had visited a local dentist. The dentist later appeared at a

function that evening and presented as the 'dentist' who had treated Eisenhower.

The missing night and morning has subsequently fueled rumors that Eisenhower was using the alleged dentist visit as a cover story for an extraordinary event. The event is possibly the most significant that any American President could have conducted: an alleged 'First Contact' meeting with extraterrestrials at Edwards Air Force base (previously Muroc Airfield), and the beginning of a series of meetings with different extra-terrestrial races that led to a 'Greada Treaty' that was eventually signed. This astonishing First Contact event, if it occurred, . . . on February 20-21, 2004.

THE TAU-NINE TREATY,

Narrated by Dan Burisch, 2005.

Little is known about this Treaty by most of the public. It is renewed every 9 years, 9 being a most sacred number to at least the Zetan factions that are signatories.

The initial treaty was signed in 1958 and renewed in 1967, 1976, 1985, 1994, and initial negotiations for the latest one began in 2003 but were only completed in 2005. [*There ought to be a new Treaty negotiation just completed in 2014, over our heads, all parties unknown to us the People.*] **From Dan Burisch's web-page:**

In fact, as of this writing, the 2005 Treaty Conference is still in post-treaty negotiations and as such are still in play. Part of the reason, as pointed out elsewhere here, may have to do with the breakup into several groups of the

original MJ-12 group and an Illuminati group that represents another core faction of the former Committee.

The signatories to this most recent treaty are the Maji and the Illuminati, who together with representatives from the United Nations represent the present human population. There are at least three extraterrestrial groups that are also signatories, being the *Republic Society of Zetan J-Rods*, the rogue *Zetan J-Rods*, and the *Orion "Talls"*.

The *Republic Society of J-Rods* are allegedly the descendants of the human survivors of the "Catastrophe" that take to the underground shelters that have been prepared on Earth via MJ-12 since the mid-1950s, when MJ-12 first learned of the approach of the "winged planet/Planet X/Wormwood/Niburu".

They move off from Earth to Zeta Reticulum at some point in our future, where they are known to us presently as P+45K (from 45,000 years from our present, rounded) and P+52K (from 52,000 years ahead of our present time, rounded); see *History of the J-Rods*. The so-called rogues are allegedly the descendants of those humans who survive underground in shelters controlled by the present-day Illuminati.

The Orion "talls" are the descendants of those humans who survive on the surface of Earth, eventually going to the Orion star system. There are indications from some that were present at the *Tau-IX Treaty Conference* that there are in fact other extra-terrestrial signatories, but with no confirmations, they have remained unsubstantiated.

WINGMAKERS & TIME TRAVEL

QUOTE WES PENRE, 2014:

"Dr. Anderson was the instigator of the WMM in 1998. I know where he is, but circumstances are such that I can't reveal it in public. However, he has relayed to me the incredible story of the WingMakers Material." From the Wes Penre.com site, quoting:

Former White House employee, Fred Burke (<http://www.wanttoknow.info/>) , downloaded the original WINGMAKERS' website and liked it so much that he created his own domain, <http://wingmakers.us>. Thus, the original site is still available to the public, informed by a true defector from the ACIO and the Labyrinth Group.

Fig 2: Chaco Canyon, New Mexico, where an Ancient Arrow site is located

In 1972, according to the early material, the Ancient Arrow (AA) site was found in New Mexico by a few young hikers. By coincidence, they found the caverns which led deep into the mountain side. These caverns were spreading out like veins from an aorta on both sides of a long tunnel. Each side-tunnel ended in a chamber, 23 all together, and these chambers all had artifacts in them. The young hikers were in awe because they figured what they saw couldn't be of this world!

EXTENDED QUOTATION:

The site was of course quickly taken over by the U.S. Military and isolated from the public. To make a long story short, the military came to the same conclusion as the hikers, that these artifacts, in form of out-of-this-world paintings, were something they'd never seen here on Earth before. Hence, the site was classified and the NSA (National Security Agency) took over from there and put an *Above Top Secret* stamp on the project. Out of NSA, a secret organization had branched out, possibly already in the early 1950s when the U.S. government crafted treaties with alien races.

This organization was called the ACIO (Advanced Contact Intelligence Organization), headquartered in Virginia (California according to the later WMM), with branches in Belgium, India, and Indonesia. The AA was incorporated by the ACIO, because they early on [they] understood that these paintings and other things they found in the chambers were not made by some old Indian tribe that suddenly may have left the area (although there were indicators that there indeed was an Indian tribe that all of

a sudden, hundreds of years ago, disappeared in "thin air" in the area). The site was traced back to around 800 AD.

When they further explored the caverns and the chambers, they found other artifacts besides the paintings, such as poetry, music discs and a disc containing more than 8,000 pages [of] written material in a language not even the best linguists at the ACIO could decode. . . . The Ancient Arrow Project was [then] put on ice for 22 years, due to [the fact] that we didn't seem to have the technology to open the disc and decipher what was written on it.

However, in the earlier part of the 1950s, a young genius hit the scientific field like a torpedo. He quickly outsmarted his professors to such a degree that they didn't want to have anything to do with him; it was too embarrassing. This young man with his long hair and ponytail simply refused to buy into the current scientific dogma. He wanted to build computers powerful enough to use for time travel; like something that was taken from a science fiction novel. Of course, he didn't get much response from the academia of that time.

Although he was rejected by most professors; eccentric at best, and insane at worst; the ACIO quickly recognized his genius and hired him in 1956, when he was only 22 years old. He was literally obsessed with time travel, and no one knew for sure why he had this exclusive drive; perhaps it was a mystery even for himself. ACIO eventually put him on this above top secret project to develop Blank Slate Technology (**BST**), which is a very specific type of time travel (he called it "Freedom Key"), which we will look into much more in a separate papers.

We need to understand that the ACIO was the primary interface with alien technologies and how to adapt them into society as well as the military industrial complex. When this young genius came into the picture, the ACIO was already savvy with some alien technologies, which they had gained access to via so called "***Technology Transfer Programs***" (TTP), apparently starting in 1954 (if not earlier), when President Eisenhower had an encounter with a faction of the Grays, which resulted in an exchange program where the U.S. government at the top level was given alien technology in exchange for abductions of a limited amount of humans for genetic experiments. It needs to be noted, though, that not *all* Grays agreed with this exchange, but there is a faction of them, as mentioned in previous papers, whose purpose is to further develop their own genetics, using human DNA to help them accomplish this. The experiments done on abductees (mostly without their conscious consent), are often executed without even using anesthesia. In the abductors own non-emotional state of mind, they look upon the human species as laboratory rats; no more, no less. However, we have traits in our DNA/RNA which are interesting to them; we have feelings and emotions! These are ancient traits which were put there by our original seeders, the Lyrans and other species they are interconnected with.

This young genius, later known as "Fifteen", quickly became the head of the ACIO and its offshoot, the highly secretive "Labyrinth Group", possibly located on the U.S. East Coast. As it were, he was contacted by two different ET races, whom were both willing to offer technology in exchange for something we have here on Earth that they

wanted. One of the groups was the same Grays I mentioned above, and the other group is known in the WMM as the Corteum. Fifteen rejected the Grays but stayed with the Corteum.

So who are the Corteum? Some say they are part of the Mardukian Anunnaki, left here on Earth and now connecting with this group of secret scientists. However, I said in the beginning that the ET issue is complicated. The Ša.A.M.i. and their Anunnaki work together with the Reptilians and possibly the Grays on one level, while independent groups of the same basic race (splinter groups) work independently from those on Nibiru.

This ET group, code named "The Corteum", is an old renegade group of the Ša.A.M.i., still living on a planet around Sirius B, but have been involved in TTP (Technological Transfer Programs) for quite a while with the human U.S. Government. They have now deceived this serious, otherwise human-friendly group of scientists into building a crystalline-scalar-mechanics based weapons technology to prevent an alien invasion. They are after the 7 Tributary sites, where New Mexico is only the first. They want to use something they call the "7 Trumpets" technologies to open up wormholes.

The technology that the Corteum have inspired Fifteen and his Labyrinth Group to develop is to secretly (unbeknownst to the human group) re-activating the "Seven Jehovian Seals" to allow an alien invasion. The Labyrinth Group [was] led to believe that the opposite is true; if they, in cooperation with the Corteum, developed technology and found the WingMakers sites, one by one, they may help them to be able to *avoid* an alien invasion which was scheduled for 2011, but [is delayed].

The Grays offered a full scale technology transfer program to Fifteen in exchange for genetic information of human DNA. The reason he turned them down was because of a previous agreement with the Corteum, who were the ones with the most advanced technology in Fifteen's field, and hence more able to help him with his task. However, the Grays had something the Corteum lacked; their technology how to make memory implants, and skills in genetic hybridization.

This may sound odd to the reader, because the Ša.A.M.i. had a lot of skills in genetic engineering, but what Sitchin is telling us on several occasions in his books is that not all Ša.A.M.i./Anunnaki have these skills. Just like we humans; only because we humans know how to build space shuttles doesn't mean all of us know how to build them. Only the rocket scientists and rocket engineers do, although we all gain from their knowledge. Same thing with genetic engineering; the Ša.A.M.i. (even those not from Nibiru) have their scientists/geneticists just like us, but even Marduk never had the knowledge how to genetically engineer species; it was not his field of expertise. And most probably, none of the members of the 200 in the Corteum Group had this knowledge either, other than perhaps a general knowledge, not enough to create complicated species and/or manipulate their genes.

In addition, the Corteum group is supposedly consisting of 200 members, but these are only the ones who show up for the meetings, so to speak. In the background, there is a huge amount of their kind, overlooking the process. Not even our government (on any level) is aware of that, I think. [Anunnaki are splintered into factions.]

After pondering the Gray issue for some time, Fifteen and others within the Labyrinth Group started reconsider whether they should make an agreement with the Grays or not. After all, the Grays' technology could be useful; especially the memory implants, which could be used to create photographic memory in the group members. So they made a deal after all, and Fifteen got a lot of information on genetic hybridization from the Grays. Still, they apparently never told the Grays about the Labyrinth Group for several reasons; they didn't want the Grays and the Corteum to work together (perhaps that was the Corteum's idea *not* to work with the Grays), and the Grays had no need-to-know, so the Labyrinth Group officially worked with them outside the organization.

In December 1997, a reporter by the penname Anne got contacted by someone who said he was a linguist who had defected from the ACIO, or "*Special Projects Laboratory*", as it was called then; an unacknowledged department of the NSA. He called himself Dr. Anderson for protection, albeit this was not his real name.

Anne, a typical, dedicated journalist, was, rightfully so, very skeptic at first when Dr. Anderson told his story. He told her everything he knew as a top linguist, working under Fifteen. Dr. Anderson had been a part of the first crew who explored the Ancient Arrow site, and because he spoke multiple languages (some of them extinct), he became one of those in charge of translating the disc. Up to the day when Dr. Anderson defected, they had only translated about 7% of the 8000+ pages, so he didn't have no, or little, knowledge of what the rest of the disc contained.

After Fifteen had broken the code, to start the project, the Corteum, who infiltrated the ACIO by 1958 became part of the project and helped out with their technologies. Fifteen had found out that the material on the disc was old Sumerian/Akkadian languages, plus a few others.

Dr. Anderson, after he began his internship at the ACIO, was subjected to something called "Intelligence Accelerator". He said they had the (alien) technologies to increase raw intelligence in a person by as much as 500%. In addition, they had this genetic implant technology (they allegedly got from the Grays) that created photographic memory. The whole ACIO staff had been subjected to both, including Dr. Anderson himself.

These technologies were held very secret and were not revealed to the government or the intelligence agencies; it was entirely on a need-to-know basis. To have access to this information, a person would have to have clearance level 12 or higher (highest is 14, with Fifteen being the only one having 15), Anderson's clearance, 12.

These high level clearances *is* the Labyrinth Group. This group split from the ACIO to enable secrecy from the NSA and lower ranking members of the ACIO. Fifteen was afraid that if too many people had access to the technology stemming from the TTPs (Technology Transfer Programs), the chances are great that these technologies would be compromised and used against humanity's best interests.

However, the Labyrinth Group is taking these technologies on a regular basis and dilutes them to a point where the ACIO can sell them to private industry and government agencies (probably via a network of contrac-

tors, to remain secret), including the military (this is a part of the reason for the speed-up of technology the last few decades). So, we can see that the "best interests" for some groups or individuals are not considered "best interest" by others; it's all very subjective and in line with a group's imperatives.

Speaking of secrecy; for more than 40 years now the Labyrinth Group has accumulated considerable wealth on their own. They have been able to build their own security technologies which thus far prevent any detection from intelligence agencies like the CIA, KGB, MOSSAD, or MI5 and MI6. [This is inappropriate "use" of "freedom."]

Corteum were permitted access to all of the information systems of the ACIO, which was considerable, according to Dr. Anderson, because they could be of assistance and were on slightly similar IQ level as Fifteen, after the latter had had "Intelligence Acceleration". He also said the Corteum are friendly and have no motives to take over our planet in some kind of One World Government agenda. However, he said that there is another alien race, who *does* have these motives, and we are going to talk more about them (the Anima) in a later paper. I have reason to believe that the "Anima Problem" is a deception, and in the next paper I will explain. Dr. Anderson also told us that the head of the Corteum alien race, working with the Labyrinth Group, goes under the name of Mahu Nahi, and that he actually liked this Corteum leader (keep the name Mahu Nahi in memory).

Dr. Anderson considered Fifteen the most powerful human on Earth due to his brilliance and his power. He was the first human who was subjected to Accelerated Intelligence and the memory implant, and in his case,

from had already been brilliant, now had an intellect comparable to that of the Cortes and the Grays. Still, Dr. Anderson was portraying Fifteen and his seven Directors as benevolent, who in their own way have humankind's best interests in mind. The main problem Dr. Anderson had with them, though, was the secrecy. He thought this information should be public.

Can you now see why TPP Treaties are unaccountable, unanswerable and very dangerous to Terran Life, entirely, en toto? And why secrecy is so dangerous to civil societies?

--And in the meantime--

What we the People have to deal with are groups of private citizens having access to both ET's and secret technologies who are not accountable to government, to national or international Law, or to any form of morality. This is a very dangerous situation we have not consented to, and in the meantime what we observe is, people are disappearing, especially children, other people are Targeted Individuals who try to reveal what is happening, our weather is being controlled, the fiat-debt ponzi banking scheme is about to go bust again, and wars and rumors of wars are picking up, all at once.

Tall Whites are part of the TauNine treaties and are still present in Nevada. Meeting with this group is more than a preference. The US signed the TauNine Treaty with the Tall Whites but didn't tell us the people what terms were written into this Treaty. In Law, ALL Treaties must be made public and ratified by Congress, so we the people have a right to know what the relationship is between US/UK and the Tall Whites, and JRods and Annunaki.

Tom Fox relates in an internet posting, his experiences with the Tall Whites in Nevada:

Tall White ET's . [Charles James Hall](#) shared much about the Talls , they were thin and frail, with skin as white as paper. They had less hair than humans, a platinum blonde . I (tomfox) noticed it was semi-translucent and unlike human hair . I had seen it up close in decent lighting at the Tropicana Casino .

At age 9 or 10 saw photos in a time magazine article about them crashing an apparent embassy ball, clipped it out for a school homework assignment.

Around 30 yrs old,i flipped through a book at a used book store that had photos of them and drawing of craft . it turned out to be the " lost book of the talls" that no one recalls the title or female authors name. Have used self hypnosis to recall details , believe book could be out there ,but apparently extremely hard to find (i've tried). Most likely the book was confiscated by military due to it actually being top secret .

Then in '90 age 34 i spend the night playing black jack and drinking i had to go to the bathroom around 4 am and as i came out i saw them. One of the

Talls wasn't used to our gravity (i was informed) and seemed to walk up stairs as if stuck in mud or a major handicap .

I felt it was odd that he had no crutches or cane. I also notice his hair being very unusual and notice a few taller of his type at the top of the stairs . A very tall one seemed to be looking directly at me. The one climbing the stairs stopped and looked back at me .

Anyhow i felt guilty at staring at someone with a handicap so went back to play cards ...So its 15 yrs later that i finally hear Charles James Hall on Coast-to-coastam talk about these Tall Whites and how they played poker in Vegas .

Long story short the next thing i buy a 4x4 and do some camping near their base and see scout craft in '05 and a day or 2 later in the valley distance a guard and tall white ---

More info on them : Their hearing and vision surpassed ours. They could live up to 800 years old, he said, and as they got older, they grew taller, up to 8 or 9 ft. The sound of their language resembled dog barking or bird calls, but they were capable of learning to speak English, he stated.

Hall said the Tall Whites had an accord with the Air Force and shared technology with them. Earth was a kind of "way station" or airport for them, and they constructed their smaller scout crafts here.

Most curiously, he noted the extraterrestrials were allowed to go off base on occasion. Disguised as humans, they particularly liked visiting Las Vegas,

where he said they would gamble at casinos such as the Stardust and tell people they were from "Northern Spain."

He also conjectured that some ghost reports may actually be sightings of the ethereal looking Tall Whites. Now, things may of changed since his book came out , as far as seeing them at casinos , they "seem" to be less public . ~end of quotation ~

Tall Whites are Annunaki-hybrids as we are, and as genetic cousins, we have every right to communicate with them. Moreover, the government we have has not been legitimate since they [***Presidents associated with Operation Pegasus: Carter, Reagan, Bush, Clinton, Bush, Obama***] began rigging elections in the 1970s when they adopted time-travel technology and data to spot individuals they could predictably elect in defiance of the democratic process.

This means Amerika has been out of the people's control since the 1970s and is not a legitimate governing body. So we the people have every right and expectation to communicate with social groups who have a bearing on our futures and longevity. I'm Annunaki-hybrid also, and I'm not accepting this government's literal ANARCHY against Common Law, against Life itself. Anybody else care what's happening to us as a result of the collapse of our democratic process?

What this means is, every single election since the Pegasus Mission began has been vote-fraud, none has served the purposes of democracy; and the 2016 election will not be any different, another confabulated and fixed contest. This matter needs the attention of the People because, when Law is out of Power, Predators take over.

In 1942 Gunners threw everything they had at an ET hovering over Los Angeles, for a whole night they blasted

the Light Ship with thousands of gunnery rounds, killing seven pedestrians in the process. Next day they denied it all.

What have ET's got to do with Religion?

Well, remember what I said about Annunaki: they are divided into ideological factions. Same here, then.

VII. RELIGION:

Humanity's problem with religion is that it seems merely to regulate belief systems, but not the behavior of its adherents. This generalization appears to cover most mainline exercises in Faith. For instance,

Virulent HATRED of Women and Unbelievers

1. Women are crooked (Bukhari 7:62:113 and Bukhari 4:55:548, Muslim 8:3466)
2. Women Lack Gratitude (Bukhari 1:2:28)
3. Women are like Devils (Muslim 8:3240)
4. Woman are an Evil Omen (Bukhari 4:52:110)
5. Most Women are Destined for Hell (Bukhari 1:6:301 and Muslim 36:6600:1, Muslim 36:6596 – 6599, Bukhari 7:62:124, Bukhari 1:2:29)
6. Women are stupid (Bukhari 3:48:826 and Bukhari 1:6:301, Al-Tabari, Vol. 1, p. 280, Bukhari 2:24:541)
7. Women are weak (Bukhari 8:73:230 and Bukhari 8:73:228, Bukhari 8:73:229)
8. Women Must Immediately Fulfill their Husbands Desires (Quran 2:223)
9. Women Must be Obedient to their Husbands to Enter Heaven (Ibn Majah 3:9:1854 and Muslim Scholar Al-Suyuti commenting on Qur'an 4:34)
10. Women must cover their faces (Bukhari 5:59:462 and Bukhari 6:60:282)

A girl-child as young as 9 can be married to an old man and then divorced. "Captives" are routinely raped; wives, beaten. Women's testimony count as half; women's inheritance, half her brother's. Confusion around divorces and remarriages create situations of adultery, with capital punishment THE OUTCOME for women. Here are Quran quotes and teachings:

I heard the Prophet saying. 'Evil omen is in three things: The horse, the woman and the house.' (Bukhari) The Prophet said, 'I looked at Paradise and found poor

people forming the majority of its inhabitants; and I looked at Hell and saw that the majority of its inhabitants were women.' The majority of the inhabitants of hell are women because they are ungrateful and harsh towards their husbands. There is no word about the husbands' ingratitude and harshness. They don't even talk about what they do to young boys, to teach cruelty and domination.

The Quran in Sura 2:228 says: . . . Wives have the same rights as the husbands have on them in accordance with the generally known principles. Of course, men are a degree above them in status . . . (Sayyid Abul A'La Maududi, *The Meaning of the Qur'an*, vol. 1, p. 165 and Maududi, vol. 1, p. 311) . . . The generally agreed upon way of doing things among us . . . about fixed shares of inheritance (fara'id) of children from the mother or father when one or the other dies is that if they leave male and female children, the male takes the portion of two females.

The Quran in Sura 2:282 says: And let two men from among you bear witness to all such documents [contracts of loans without interest]. But if two men be not available, there should be one man and two women to bear witness so that if one of the women forgets (anything), the other may remind her. (Maududi, vol. 1, p. 205). This hadith removes any ambiguity about women's abilities in Sura 2:282: The Prophet said, 'Isn't the witness of a woman equal to half of that of a man?' The women said, 'Yes.' He said, 'This is because of the deficiency of a woman's mind.' (Bukhari, emphasis added)

Sura 4:24 says: And forbidden to you are wedded wives of other people except those who have fallen in your hands [as prisoners of war] . . . (Maududi, vol. 1, p. 319).

Suras 4:3; 23:5—6; 33:50; 70:22—30, all of which permit male slave-owners to have sex with their slave-girls. Suras 23:5—6 and 70:22—230 allow men to have sex with them. Moreover, Muslims should stop doing coitus interruptus [WITH SLAVE GIRLS], but instead go all the way with the enslaved sex objects. Fate controls who should be born.

Sura 4:3 says: And if you be apprehensive that you will not be able to do justice to the orphans, you may marry two or three or four women whom you choose. But if you apprehend that you might not be able to do justice to them, then marry only one wife, or marry those who have fallen in your possession. Maududi, vol. 1, p. 305 paraphrases the verse: 'If you need more than one [wife] but are afraid that you might not be able to do justice to your wives from among the free people, you may turn to slave girls because in that case you will be burdened with less responsibilities' (note 6) (See Sura 4:24).

Sura 4:34 says: . . . If you fear highhandedness from your wives, remind them [of the teaching of God], then ignore them when you go to bed, then hit them. If they obey you, you have no right to act against them. For fuller details on wife-beating. There are many links to modern interpretations of Sura 4:34 and to arguments for wife-beating today.

Sura 2:282: The Prophet said, 'Isn't the witness of a woman equal to half of that of a man?' The women said, 'Yes.' He said, 'This is because of the deficiency of a woman's mind. Sura 2:282 says: And let two men from among you bear witness to all such documents [contracts of loans without interest]. But if two men be not available, there should be one man and two women to bear witness so that if one of the women forgets (anything), the other

may remind her. (Maududi, vol. 1, p. 205). Sura 4:11 says: The [inyheritance] share of the male shall be twice that of a female (Maududi, vol. 1, p. 311)

QURAN: "When I got married, Allah's Apostle said to me, 'What type of lady have you married?' I replied, 'I have married a matron.' He said, 'Why, don't you have a liking for the virgins and for fondling them?' Jabir also said: Allah's Apostle said, 'Why didn't you marry a young girl so that you might play with her and she with you?' (Bukhari)

Muhammad pursued Aisha when she was a little girl. . . . "[T]hen he [Muhammad] wrote the marriage (wedding) contract with Aishah when she was a girl of six years of age, and he consumed [sic, consummated] that marriage when she was nine years old." Divorces are available for pre-pubescent girls; this implies marriage. So fathers of prepubescent girlchildren may give them away, and their new husbands may consummate their marriage with them at age nine.

The Quran in Sura (Chapter) 2:223 says: Your women are your fields, so go into your fields whichever way you like (MAS Abdel Haleem, *The Qur'an*, Oxford UP, 2004) . . . 'If a man invites his wife to sleep with him and she refuses to come to him, then the angels send their curses on her till morning.' (Bukhari) Sura 65:1, 4 says: 65:1 O Prophet, when you [and the believers] divorce women, divorce them for their prescribed waiting—period and count the waiting—period accurately . . . 4 And if you are in doubt about those of your women who have despaired of menstruation, (you should know that) their waiting period is three months, and the same applies to those who have not menstruated as yet. As for pregnant

women, their period ends when they have delivered their burden. (Maududi, vol. 5, pp. 599 and 617, emphasis added) Notice, "those who have not menstruated as yet" are pre-pubescent girls—children--whom they "marry."

The Quran in Sura 4:11 says: The share of the male shall be twice that of a female

The hadith says that Muslim women in the time of Muhammad were suffering from domestic violence in the context of confusing marriage laws. The Quran in Sura 2:230 says: And if the husband divorces his wife (for the third time), she shall not remain his lawful wife after this (absolute) divorce, unless she marries another husband and the second husband divorces her. [In that case] there is no harm if they [the first couple] remarry (Maududi, vol. 1, p. 165) Problems emerge in the modern world during the Islamic divorce proceedings. The Quran in Sura 4:24 says: And forbidden to you are wedded wives of other people except those who have fallen in your hands [as prisoners of war] . . . (Maududi, vol. 1, p. 319).

See also Suras 4:3; 23:5—6; 33:50; 70:22—30, all of which permit male slave-owners to have sex with their slave-girls. Suras 23:5—6 and 70:22—230 allow men to have sex with them in the Meccan period, during times of peace before Muhammad initiated his skirmishes and wars in Medina. The hadith demonstrate that Muslims jihadists actually have sex with captured women, whether or not they are married. It is lawful for Muslim holy warriors to marry women prisoners of war even when their husbands are still alive. But what happens if the husbands are captured with their wives? Maududi cites a school of law that says Muslims may not marry them, but two other schools say that the marriage between the

captive husbands and wives is broken (note 44). But why would a debate over this cruelty emerge in the first place? No marriage should take place between prisoners of war and their captives, married or not. In fact, no sex should take place between women captives and their Muslim overlords. ***The presumption of captives includes the presumption of wars and slavery..***

Islamic punishments have encouraged a culture of violence against women, especially within the family and has spilled into violence against children. This has been commented upon by many within the country . . . The fact that men receive a lighter punishment if they commit a violence against women undoubtedly encourages such violence. We saw how women could be killed with impunity during alleged adultery. Stoning to death for adultery, although technically admissible for both sexes, has also been carried out mainly against women.

<https://www.youtube.com/watch?v=2IsTLyjPzTU> . . . History testifies to the fact, Islamics agree with and act on these doctrines.

Though these two examples come from Iran, they could multiply throughout the Islamic world. However, the legal hierarchies understand the cost of reform: abandoning many verses in the Quran and many passages in the hadith, and this they cannot do.

TALMUD - JUDAISM

What the [Zionist] Talmud Teaches Jews About Treating Children of Non-Jews

First, let's deal with a Claim that "Israel," which is technically a Parliamentary democracy, has something to do with Judaism or the *theocratic* Kingdom of David. And, in contrast, Goyim (Palestinians, who are Semites), are somehow outside the Covenant of Abraham.

As pointed out earlier, 80% of the populace in Israel today are Ashkanazi Caucasians from Northern Europe; however, these Talmudic peoples consider themselves to *the Jews* in the literal sense, in the "Seed of Abraham" sense, in the Shemite-Race sense. They fool themselves.

Anti-Semitism has been taken to levels of an absurd circus, an ANTI-Shemite-Seed-of-Abraham Bloodline Race. That's what. And who are the Shemite Race? The Palestinians! Who are NOT the Shemite Race? The Ashkanazi pro-Zionist, pro-Talmud [teaching] faction in Israel. Is this insane or wot??

And to further this argument, that Israel is NOT a nation based on Judaism, I defy you to look at these Talmud Teachings and match them to Torah Law. It can't be done!

Holy Law is reasonable; not like Talmud directives.

<http://www.holyconservancy.org/2728.htm>

However, the Talmud is another story.

1. "We beg Thee, 0 Lord, inflict Thy wrath on the nations not believing in Thee. Take away, 0 Lord, all hope from them. Destroy all foes of Thy nation." -Synagaga Judaica, p. 212. Minhagen, p. 23. Crach Chain, 480 Magah.

2. "The teachings of the Talmud stand above all other laws. They are more important than the laws of Moses." -Rabbi Issael, Rabbi Chasbar, et. al.

3. "The decisions of the Talmud are words of the living God. Jehovah Himself asks the opinion of the earthly rabbis when there are difficult affairs in heaven." -Rabbi Menechen Commentary on Fifth Book

4. "Jehovah Himself studies the Talmud standing, he has such respect for that book." -Tract Mechillo

5. "It is more wicked to question the words of the rabbis than those of the Torah." -Michna Sanhedryn 11:3

6. "It is forbidden to disclose the secrets of the law. He who would do it would be as guilty as though he destroyed the whole world." Jektat Chadasz, 171, 3

7. "Every goy who studies the Talmud and every Jew who helps him in it, ought to die." -Sanhedryn, 59a, aboda Zora 8-6, Szagiga 13

8. "To communicate anything to a goy about our religious relations would be equal to the killing of all Jews, for if the goyim knew what we teach about them they would kill us openly." -Libbre David 37

9. "If a Jew be called upon to explain any part of the

rabbinic books, he ought to give only a false explanation. Who ever will violate this order shall be put to death." -Libbre David 37

10. "A Jew should and must make a false oath when the goyim asks if our books contain anything against them." Szaaloth- Utszabot, Book of Jore Via 17

11. "The Jews are human beings but the nations of the world are not human beings but beasts . . ." --Saba Mecia 114, 6

12. "When the Messiah comes every Jew will have 2800 slaves." -Simeon Haddarsen, fol. 56-D

13. "Jehovah created the non-Jew in human form so that the Jew would not have to be served by beasts. The non-Jew is consequently an animal in human form, and condemned to serve the Jew day and night." - Midrasch Talpioth, p.

14. "As soon as the King Messiah will declare himself, He will destroy Rome and make a wilderness of it. Thorns and weeds will grow in the Pope's palace. Then He will start a merciless war on non-Jews and will overpower them. He will slay them in masses, kill their kings and lay waste the whole Roman land. He will say to the Jews: 'I am the King Messiah for whom you have been waiting. Take the silver and gold from the goyim.' " -Josiah 60, 6. Rabbi Abarbanel to Daniel 7, 13

15. "A Gentile girl who is three years old can be violated." --9boda Sarah 37a

16. "A Jew may violate but not marry a non-Jewish girl." -&ad. Shas. 2:2

17. "A Jew may do to a non-Jewess what he can do. He may treat her as he treats a piece of meat." -Hadarine, 20, B; Schulchan Aruch, Choszen Hamiszpat 348

18. "A Jew may misuse the non-Jewess in her state of unbelief." - Maimonides, Jak. Chasaka 2:2

19. "IF a goy kills a goy or a Jew he is responsible; but if a Jew kills a goy he is NOT responsible." -Tosefta. 9boda Za,-a 8, 5

22. "When you go to war do not go as the First, but as the last, so that you may return as the first. Five things has Kanaan recommended to his sons: 'Love each other, love the robbery, hate your masters and never tell the truth.' " -Pesachis F. 113B

23. "A Jew is permitted to rape, cheat and perjure himself; but he must take care that he is not found out, so that Israel may not suffer." -Schulchan Aruch, Jore Dia

24. "A Jew may rob a goy - that is,.he may cheat him in a bill, if unlikely to be perceived by him." -Schalchan Arach, Choszen Hamiszpat 348

25. "If a goy wants a Jew to stand witness against a Jew in a Court of Law, and if the Jew could give fair evidence, he is forbidden to do it; but if a Jew wants a Jew to be a witness in a similar case against a goy, he may do it." -Schalchan .Aruch, Choszen Hasiszpat 28, Art. 3 and 4

26. "Those who do not confess the Torah and the Prophets must be killed. Who has the power to kill them, let them kill them openly with the sword. If not, let them use artifices, till they are done away with." -Schulchan Aruch. Choszon Haviszpat 425.5

27. "All property of other nations belongs to the Jewish nation, which, consequently, is entitled to seize upon it without any scruples. An orthodox Jew is not bound to observe principles of morality towards people of other tribes. He may act contrary to morality, if profitable to himself or to Jews in general' " -- Schalchan arach. Choszen Hasixpat 348

29. "How to interpret the word 'robbery.' A goy is forbidden to steal, rob, or take women slaves, etc., from a goy or from a Jew. But a Jew is NOT forbidden to do all this to a goy." -Tosefta, Qbda Zara VIRZ, 5

30. "On the house of the goy one looks as on the fold of cattle." - Tosefta, Erabin VZZ, 1

31. "All vows, oaths, promises, engagements, and swearing, which, beginning this very day or reconciliation till the next day of reconciliation, we intend to vow, promise, wear, and bind ourselves to fulfill, we repent of beforehand; let them be illegalized, acquitted, annihilated, abolished, valueless, unimportant. Our vows shall be no vows, and our oaths no oaths at all." -Schulchan Aruch, Edit. 1, 136. The Jewish Kol Nidre "All Vows" Oath has been set to a morbid Jewish music, and is often heard on

the radio. It is sung as a chant at each Yom Kippur [Jewish New Year service September 17]

32. "Everything a Jew needs for his church ritual no goy is permitted to manufacture, but only a Jew, because this must be manufactured by human beings and the Jew is not permitted to consider the goyim as human beings." -Schulchan Oruch, Orach Chaiw 14, 20, 32, 33, 39. TaIDud Jebamoth 61

33. "A Jewish mid-wife is not only permitted but she is compelled to help a Jewish mother on Saturday (Jewish Sabbath) and when so doing to do anything which otherwise would desecrate the Saturday. But it is forbidden to help a non-Jewish woman even if it should be possible to help her without desecrating the Saturday, because she is to be considered only as an animal." -Schulchan gruch, Orach Chaim 330

34. "At the time of the Cholhamoed the transaction of any kind of business is forbidden. But it is permitted to cheat a goy, because cheating of goyim at any time pleases the Lord." -Chuichan Qruch, Orach ChaiD 539

35. "The Jews are strictly Forbidden to cheat their brothers and it is considered cheating already if one-sixth of the value has been taken away from him. Whoever has cheated his brother has to return it to him. Naturally all that only holds towards the Jew, to cheat a goy he is permitted and he is not permitted to return to him what he cheated him out of. Because the Bible says: 'Thou shalt not cheat thy next brother,' but the non-Jews are not our brethren, but as mentioned above, worse than dogs." -aruch hoszen Haniszpat 227

How Hypocrisy Works

What this means to global societies is that people who claim to “worship” God have all sorts of cruel policies and procedures to choose from in their religious hierarchy, and nobody criticizes them for cruel, in humane or dishonest behavior because “it's in the Book!”

Humanity and civil society are not aided by these forms of hypocrisy; and the irony of it all is Jesus Christ. His Teachings are peaceable, long-suffering, decent, honest, and everything. But His followers claim they're not accountable for their behavior at all, no thanks to “the Apostle Paul.” They claim they're only required to “believe in Jesus,” and all their misbehavior is forgiven practically automatically.

Let's remember the Company, on parade, who left the Empire Egypt because they were sick and tired of being sick and tired. If Jesus did not in fact relieve our burdens, from where will Relief come?

Christianity Constitutes Jesus' Teachings :

NO to CRUELTY or DECEIT here.

First off, why did I use the old, arcane-English King James version and not a modern one? Simple. I don't want to get in a pissing contest over which translation is the “correct” one. After all, this book is an overview of the *plot* of Scripture, that of Deliverance. What we're not doing here is exegesis.

And whereas the ancient Mosaic Law included culling the wicked and capital punishment for crimes against Law, the teachings from the Book of Matthew, ascending by Topic, are Pacifist *en toto*. Jesus follows the bloodline and liturgical teachings of the Law, but He goes further; He regulates the intention to do Good.

Book of Matthew, chapter and verse:

3:9 We have Abraham as our father: for I say unto you, that God is able of these stones to raise up children unto Abraham. 10 And now also the axe is laid unto the root of the trees: therefore every tree which bringeth not forth good fruit is hewn down, and cast into the fire. 4:4 But he answered and said, It is written, Man shall not live by bread alone, but by every word that proceedeth out of the mouth of God. 4:10 it is written, Thou shalt worship the Lord thy God, and him only shalt thou serve.

5:3 Blessed are the poor in spirit: for theirs is the kingdom of heaven. 4 Blessed are they that mourn: for they shall be comforted. 7 Blessed are the merciful: for they shall obtain mercy. 10 Blessed are they which are persecuted for righteousness' sake: for theirs is the kingdom of heaven. 7:6 [But] 6 Give not that which is holy unto the dogs, neither cast ye your pearls before swine, lest they trample them under their feet, and turn again and rend you.

5:17 Think not that I am come to destroy the law, or the prophets: I am not come to destroy, but to fulfil. For verily I say unto you, Till heaven and earth pass, one jot or one tittle shall in no wise pass from the law, till all be fulfilled. 19 Whosoever therefore shall break [the] commandments and shall teach men so, he shall be called

the least in the kingdom of heaven. 5:38 Ye have heard that it hath been said, An eye for an eye, and a tooth for a tooth: 39 But I say unto you, That ye resist not evil: but whosoever shall smite thee on thy right cheek, turn to him the other also. 40 And if any man will sue thee at the law, and take away thy coat, let him have thy cloke also. 41 And whosoever shall compel thee to go a mile, go with him twain. 42 Give to him that asketh thee, and from him that would borrow of thee turn not thou away. 32 [And] I say unto you, That whosoever shall put away his wife, saving for the cause of fornication, causeth her to commit adultery: and whosoever shall marry her that is divorced committeth adultery.

5:34 [And] I say unto you, Swear not at all; neither by heaven; for it is God's throne: 35 Nor by the earth; for it is his footstool: neither by Jerusalem; for it is the city of the great King. 36 Neither shalt thou swear by thy head, because thou canst not make one hair white or black. 37 But let your communication be, Yea, yea; Nay, nay: for whatsoever is more than these cometh of evil. 25 Agree with thine adversary quickly, whiles thou art in the way with him; lest at any time the adversary deliver thee to the judge, and the judge deliver thee to the officer, and thou be cast into prison.

18:15 Moreover if thy brother shall trespass against thee, go and tell him his fault between thee and him alone: if he shall hear thee, thou hast gained thy brother. 16 But if he will not hear thee, then take with thee one or two more, that in the mouth of two or three witnesses every word may be established. 17 And if he shall neglect to hear them, tell it unto the church: but if he neglect to hear the church, let him be unto thee as an heathen man and a

publican. 18 Verily I say unto you, Whatsoever ye shall bind on earth shall be bound in heaven: and whatsoever ye shall loose on earth shall be loosed in heaven. 19 Again I say unto you, That if two of you shall agree on earth as touching any thing that they shall ask, it shall be done for them of my Father which is in heaven. 20 For where two or three are gathered together in my name, there am I in the midst of them.

16:24 Then said Jesus unto his disciples, If any man will come after me, let him deny himself, and take up his cross, and follow me. 25 For whosoever will save his life shall lose it: and whosoever will lose his life for my sake shall find it. 26 For what is a man profited, if he shall gain the whole world, and lose his own soul? or what shall a man give in exchange for his soul? . . . 18:21 Then came Peter to him, and said, Lord, how oft shall my brother sin against me, and I forgive him? till seven times? 22 Jesus saith unto him, I say not unto thee, Until seven times: but, Until seventy times seven. 23 Therefore is the kingdom of heaven likened unto a certain king, which would take account of his servants. 24 And when he had begun to reckon, one was brought unto him, which owed him ten thousand talents. 25 But forasmuch as he had not to pay, his lord commanded him to be sold, and his wife, and children, and all that he had, and payment to be made. 26 The servant therefore fell down, and worshipped him, saying, Lord, have patience with me, and I will pay thee all. 27 Then the lord of that servant was moved with compassion, and loosed him, and forgave him the debt. 28 But the same servant went out, and found one of his fellow servants, which owed him an hundred pence: and he laid hands on him, and took him by the throat, saying, Pay me that thou owest. 29 And his fellow servant fell down at his

feet, and besought him, saying, Have patience with me, and I will pay thee all. 30 And he would not: but went and cast him into prison, till he should pay the debt. 31 So when his fellow servants saw what was done, they were very sorry, and came and told unto their lord all that was done. 32 Then his lord, after that he had called him, said unto him, O thou wicked servant, I forgave thee all that debt, because thou desiredst me: 33 Shouldest not thou also have had compassion on thy fellowservant, even as I had pity on thee? 34 And his lord was wroth, and delivered him to the tormentors, till he should pay all that was due unto him. 35 So likewise shall my heavenly Father do also unto you, if ye from your hearts forgive not every one his brother their trespasses.

5:43 Ye have heard that it hath been said, Thou shalt love thy neighbour, and hate thine enemy. 44 But I say unto you, Love your enemies, bless them that curse you, do good to them that hate you, and pray for them which despitefully use you, and persecute you; 45 That ye may be the children of your Father which is in heaven: for he maketh his sun to rise on the evil and on the good, and sendeth rain on the just and on the unjust. 46 For if ye love them which love you, what reward have ye? do not even the publicans the same? 47 And if ye salute your brethren only, what do ye more than others? do not even the publicans so? 48 Be ye therefore perfect, even as your Father which is in heaven is perfect [as a candle in the wind]. . . . 20:25 But Jesus said, Ye know that the princes of the Gentiles exercise dominion over them, and they that are great exercise authority upon them. 26 But it shall not be so among you: but whosoever will be great among you, let him be your minister; 27 And whosoever will be chief among you, let him be your servant:

6:1 Take heed that ye do not your alms before men, to be seen of them: otherwise ye have no reward of your Father which is in heaven. 2 Therefore when thou doest thine alms, do not sound a trumpet before thee, as the hypocrites do in the synagogues and in the streets, that they may have glory of men. Verily I say unto you, They have their reward. 3 But when thou doest alms, let not thy left hand know what thy right hand doeth: 4 That thine alms may be in secret: and thy Father which seeth in secret himself shall reward thee openly.

21:22 And all things, whatsoever ye shall ask in prayer, believing, ye shall receive. . . . 6:5 And when thou prayest, thou shalt not be as the hypocrites are: for they love to pray standing in the synagogues and in the corners of the streets, that they may be seen of men. Verily I say unto you, They have their reward. 6 But thou, when thou prayest, enter into thy closet, and when thou hast shut thy door, pray to thy Father which is in secret; and thy Father which seeth in secret shall reward thee openly. 7 But when ye pray, use not vain repetitions, as the heathen do: for they think that they shall be heard for their much speaking. 8 Be not ye therefore like unto them: for your Father knoweth what things ye have need of, before ye ask him.

6:12 And forgive us our debts, as we forgive our debtors. 14 For if ye forgive men their trespasses, your heavenly Father will also forgive you: 15 But if ye forgive not men their trespasses, neither will your Father forgive your trespasses. 6:21 For where your treasure is, there will your heart be also. 22 The light of the body is the eye: if therefore thine eye be single, thy whole body shall be full of light. 23 But if thine eye be evil, thy whole body shall

be full of darkness. If therefore the light that is in thee be darkness, how great is that darkness!

22:17 Tell us therefore, What thinkest thou? Is it lawful to give tribute unto Caesar, or not? 18 But Jesus perceived their wickedness, and said, Why tempt ye me, ye hypocrites? 19 Shew me the tribute money. And they brought unto him a penny. 20 And he saith unto them, Whose is this image and superscription? 21 They say unto him, Caesar's. Then saith he unto them, Render therefore unto Caesar the things which are Caesar's; and unto God the things that are God's.

6:24 No man can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and mammon. 25 Therefore I say unto you, Take no thought for your life, what ye shall eat, or what ye shall drink; nor yet for your body, what ye shall put on. Is not the life more than meat, and the body than raiment?

6:30 Wherefore, if God so clothe the grass of the field, which to day is, and to morrow is cast into the oven, shall he not much more clothe you, O ye of little faith? 31 Therefore take no thought, saying, What shall we eat? or, What shall we drink? or, Wherewithal shall we be clothed? 32 (For after all these things do the Gentiles seek:) for your heavenly Father knoweth that ye have need of all these things. 33 But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you. 34 Take therefore no thought for the morrow: for the morrow shall take thought for the things of itself. Sufficient unto the day is the evil thereof.

7:12 Therefore all things whatsoever ye would that men should do to you, do ye even so to them: for this is the law and the prophets. 13 Enter ye in at the strait gate: for wide is the gate, and broad is the way, that leadeth to destruction, and many there be which go in thereat: 14 Because strait is the gate, and narrow is the way, which leadeth unto life, and few there be that find it. . . . 11:28 Come unto me, all ye that labour and are heavy laden, and I will give you rest. 29 Take my yoke upon you, and learn of me; for I am meek and lowly in heart: and ye shall find rest unto your souls. 30 For my yoke is easy, and my burden is light.

9:16 No man putteth a piece of new cloth unto an old garment, for that which is put in to fill it up taketh from the garment, and the rent is made worse. 9:17 Neither do men put new wine into old bottles: else the bottles break, and the wine runneth out, and the bottles perish: but they put new wine into new bottles, and both are preserved.

7:7 Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you: 8 For every one that asketh receiveth; and he that seeketh findeth; and to him that knocketh it shall be opened. 9 Or what man is there of you, whom if his son ask bread, will he give him a stone? 10 Or if he ask a fish, will he give him a serpent? 11 If ye then, being evil, know how to give good gifts unto your children, how much more shall your Father which is in heaven give good things to them that ask him?

18:1 At the same time came the disciples unto Jesus, saying, Who is the greatest in the kingdom of heaven? 2 And Jesus called a little child unto him, and set him in the midst of them, 3 And said, Verily I say unto you, Except ye be converted, and become as little children, ye shall not

enter into the kingdom of heaven. 4 Whosoever therefore shall humble himself as this little child, the same is greatest in the kingdom of heaven. 5 And whoso shall receive one such little child in my name receiveth me. 6 But whoso shall offend one of these little ones which believe in me, it were better for him that a millstone were hanged about his neck, and that he were drowned in the depth of the sea. . . . 19:13 Then were there brought unto him little children, that he should put his hands on them, and pray: and the disciples rebuked them. 14 But Jesus said, Suffer little children, and forbid them not, to come unto me: for of such is the kingdom of heaven. 15 And he laid his hands on them, and departed thence.

18:10 Take heed that ye despise not one of these little ones; for I say unto you, That in heaven their angels do always behold the face of my Father which is in heaven. 11 For the Son of man is come to save that which was lost. 12 How think ye? if a man have an hundred sheep, and one of them be gone astray, doth he not leave the ninety and nine, and goeth into the mountains, and seeketh that which is gone astray? 13 And if so be that he find it, verily I say unto you, he rejoiceth more of that sheep, than of the ninety and nine which went not astray. 14 Even so it is not the will of your Father which is in heaven, that one of these little ones should perish.

7:1 Judge not, that ye be not judged. 2 For with what judgment ye judge, ye shall be judged: and with what measure ye mete, it shall be measured to you again. 3 And why beholdest thou the mote that is in thy brother's eye, but considerest not the beam that is in thine own eye? 4 Or how wilt thou say to thy brother, Let me pull out the mote out of thine eye; and, behold, a beam is in thine own

eye? . . . 10:16 Behold, I send you forth as sheep in the midst of wolves: be ye therefore wise as serpents, and harmless as doves. 17 But beware of men: for they will deliver you up to the councils, and they will scourge you in their synagogues; 18 And ye shall be brought before governors and kings for my sake, for a testimony against them and the Gentiles. 19 But when they deliver you up, take no thought how or what ye shall speak: for it shall be given you in that same hour what ye shall speak. 20 For it is not ye that speak, but the Spirit of your Father which speaketh in you.

19:16 And, behold, one came and said unto him, Good Master, what good thing shall I do, that I may have eternal life? 17 And he said unto him, Why callest thou me good? there is none good but one, that is, God: but if thou wilt enter into life, keep the commandments. 18 He saith unto him, Which? Jesus said, Thou shalt do no murder, Thou shalt not commit adultery, Thou shalt not steal, Thou shalt not bear false witness, 19 Honour thy father and thy mother: and, Thou shalt love thy neighbour as thyself. 20 The young man saith unto him, All these things have I kept from my youth up: what lack I yet? 21 Jesus said unto him, If thou wilt be perfect, go and sell that thou hast, and give to the poor, and thou shalt have treasure in heaven: and come and follow me. 22 But when the young man heard that saying, he went away sorrowful: for he had great possessions.

19:23 Then said Jesus unto his disciples, Verily I say unto you, That a rich man shall hardly enter into the kingdom of heaven. 24 And again I say unto you, It is easier for a camel to go through the eye of a needle, than for a rich man to enter into the kingdom of God. 25 When

his disciples heard it, they were exceedingly amazed, saying, Who then can be saved? 26 But Jesus beheld them, and said unto them, With men this is impossible; but with God all things are possible. 27 Then answered Peter and said unto him, Behold, we have forsaken all, and followed thee; what shall we have therefore? 28 And Jesus said unto them, Verily I say unto you, That ye which have followed me, in the regeneration when the Son of man shall sit in the throne of his glory, ye also shall sit upon twelve thrones, judging the twelve tribes of Israel. 29 And every one that hath forsaken houses, or brethren, or sisters, or father, or mother, or wife, or children, or lands, for my name's sake, shall receive an hundredfold, and shall inherit everlasting life. 30 But many that are first shall be last; and the last shall be first.

20:1 For the kingdom of heaven is like unto a man that is an householder, which went out early in the morning to hire labourers into his vineyard. 2 And when he had agreed with the labourers for a penny a day, he sent them into his vineyard. 3 And he went out about the third hour, and saw others standing idle in the marketplace, 4 And said unto them; Go ye also into the vineyard, and whatsoever is right I will give you. And they went their way. 5 Again he went out about the sixth and ninth hour, and did likewise. 6 And about the eleventh hour he went out, and found others standing idle, and saith unto them, Why stand ye here all the day idle? 7 They say unto him, Because no man hath hired us. He saith unto them, Go ye also into the vineyard; and whatsoever is right, that shall ye receive. 8 So when even was come, the lord of the vineyard saith unto his steward,

Call the labourers, and give them their hire, beginning from the last unto the first. 9 And when they came that were hired about the eleventh hour, they received every man a penny. 10 But when the first came, they supposed that they should have received more; and they likewise received every man a penny. 11 And when they had received it, they murmured against the good-man of the house, 12 Saying, These last have wrought but one hour, and thou hast made them equal unto us, which have borne the burden and heat of the day. 13 But he answered one of them, and said, Friend, I do thee no wrong: didst not thou agree with me for a penny? 14 Take that thine is, and go thy way: I will give unto this last, even as unto thee. 15 Is it not lawful for me to do what I will with mine own? Is thine eye evil, because I am good? 16 So the last shall be first, and the first last: for many be called, but few chosen.

7:21 Not every one that saith unto me, Lord, Lord, shall enter into the kingdom of heaven; but he that doeth the will of my Father which is in heaven. 22 Many will say to me in that day, Lord, Lord, have we not prophesied in thy name? and in thy name have cast out devils? and in thy name done many wonderful works? 23 And then will I profess unto them, I never knew you: depart from me, ye that work iniquity. 24 Therefore whosoever heareth these sayings of mine, and doeth them, I will liken him unto a wise man, which built his house upon a rock: 25 And the rain descended, and the floods came, and the winds blew, and beat upon that house; and it fell not: for it was founded upon a rock. 26 And every one that heareth these sayings of mine, and doeth them not, shall be likened unto a foolish man, which built his house upon the sand: 27

And the rain descended, and the floods came, and the winds blew, and beat upon that house; and it fell: and great was the fall of it.

9:10 And it came to pass, as Jesus sat at meat in the house, behold, many publicans and sinners came and sat down with him and his disciples. 11 And when the Pharisees saw it, they said unto his disciples, Why eateth your Master with publicans and sinners? 12 But when Jesus heard that, he said unto them, They that be whole need not a physician, but they that are sick. 13 But go ye and learn what that meaneth, I will have mercy, and not sacrifice: for I am not come to call the righteous, but sinners to repentance. 14 Then came to him the disciples of John, saying, Why do we and the Pharisees fast oft, but thy disciples fast not? 15 And Jesus said unto them, Can the children of the bride-chamber mourn, as long as the bridegroom is with them? but the days will come, when the bridegroom shall be taken from them, and then shall they fast.

7:15 Beware of false prophets, which come to you in sheep's clothing, but inwardly they are ravening wolves. 16 Ye shall know them by their fruits. Do men gather grapes of thorns, or figs of thistles? 17 Even so every good tree bringeth forth good fruit; but a corrupt tree bringeth forth evil fruit. 18 A good tree cannot bring forth evil fruit, neither can a corrupt tree bring forth good fruit. 19 Every tree that bringeth not forth good fruit is hewn down, and cast into the fire. 20 Wherefore by their fruits ye shall know them. . . .12:12 the tree is known by his fruit. 34 O generation of vipers, how can ye, being evil, speak good things? for out of the abundance of the heart the mouth speaketh. 35 A good man out of the good treasure of the

heart bringeth forth good things: and an evil man out of the evil treasure bringeth forth evil things. 36 But I say unto you, That every idle word that men shall speak, they shall give account thereof in the day of judgment. 37 For by thy words thou shalt be justified, and by thy words thou shalt be condemned.

10:21 And the brother shall deliver up the brother to death, and the father the child: and the children shall rise up against their parents, and cause them to be put to death. 22 And ye shall be hated of all men for my name's sake: but he that endureth to the end shall be saved. 23 But when they persecute you in this city, flee ye into another: for verily I say unto you, Ye shall not have gone over the cities of Israel, till the Son of man be come.

10:14 And whosoever shall not receive you, nor hear your words, when ye depart out of that house or city, shake off the dust of your feet. . . . 24 The disciple is not above his master, nor the servant above his lord. 25 It is enough for the disciple that he be as his master, and the servant as his lord. If they have called the master of the house Beelzebub, how much more shall they call them of his household? 26 Fear them not therefore: for there is nothing covered, that shall not be revealed; and hid, that shall not be known. . . . 10:28 And fear not them which kill the body, but are not able to kill the soul: but rather fear him which is able to destroy both soul and body in hell. 29 Are not two sparrows sold for a farthing? and one of them shall not fall on the ground without your Father. 30 But the very hairs of your head are all numbered. 31 Fear ye not therefore, ye are of more value than many sparrows.

10:34 *Think not that I am come to send peace on earth: I came not to send peace, but a sword. 35 For I am come to set a man at variance against his father, and the daughter against her mother, and the daughter in law against her mother in law. 36 And a man's foes shall be they of his own household. 37* He that loveth father or mother more than me is not worthy of me: and he that loveth son or daughter more than me is not worthy of me. 38 And he that taketh not his cross, and followeth after me, is not worthy of me. 39 He that findeth his life shall lose it: and he that loseth his life for my sake shall find it. 12:50 For whosoever shall do the will of my Father which is in heaven, the same is my brother, and sister, and mother.

12:25 Every kingdom divided against itself is brought to desolation; and every city or house divided against itself shall not stand: 26 And if Satan cast out Satan, he is divided against himself; how shall then his kingdom stand? 27 And if I by Beelzebub cast out devils, by whom do your children cast them out? therefore they shall be your judges. 28 But if I cast out devils by the Spirit of God, then the kingdom of God is come unto you. 29 Or else how can one enter into a strong man's house, and spoil his goods, except he first bind the strong man? and then he will spoil his house. 30 He that is not with me is against me; and he that gathereth not with me scattereth abroad.

12:43 When the unclean spirit is gone out of a man, he walketh through dry places, seeking rest, and findeth none. 44 Then he saith, I will return into my house from whence I came out; and when he is come, he findeth it empty, swept, and garnished. 45 Then goeth he, and

taketh with himself seven other spirits more wicked than himself, and they enter in and dwell there: and the last state of that man is worse than the first. Even so shall it be also unto this wicked generation.

13:3 And he spake many things unto them in parables, saying, Behold, a sower went forth to sow; 4 And when he sowed, some seeds fell by the way side, and the fowls came and devoured them up: 5 Some fell upon stony places, where they had not much earth: and forthwith they sprung up, because they had no deepness of earth: 6 And when the sun was up, they were scorched; and because they had no root, they withered away. 7 And some fell among thorns; and the thorns sprung up, and choked them: 8 But other fell into good ground, and brought forth fruit, some an hundredfold, some sixtyfold, some thirtyfold. 9 Who hath ears to hear, let him hear.

13:10 And the disciples came, and said unto him, Why speakest thou unto them in parables? 11 He answered and said unto them, Because it is given unto you to know the mysteries of the kingdom of heaven, but to them it is not given. 12 For whosoever hath, to him shall be given, and he shall have more abundance: but whosoever hath not, from him shall be taken away even that he hath. 13 Therefore speak I to them in parables: because they seeing see not; and hearing they hear not, neither do they understand. 14 And in them is fulfilled the prophecy of Esaias, which saith, By hearing ye shall hear, and shall not understand; and seeing ye shall see, and shall not perceive: 15 For this people's heart is waxed gross, and their ears are dull of hearing, and their eyes they have closed; lest at any time they should see with their eyes, and hear with their ears, and should understand with

their heart, and should be converted, and I should heal them. 16 But blessed are your eyes, for they see: and your ears, for they hear. 17 For verily I say unto you, That many prophets and righteous men have desired to see those things which ye see, and have not seen them; and to hear those things which ye hear, and have not heard them.

13:18 Hear ye therefore the parable of the sower. 19 When any one heareth the word of the kingdom, and understandeth it not, then cometh the wicked one, and catcheth away that which was sown in his heart. This is he which received seed by the way side. 20 But he that received the seed into stony places, the same is he that heareth the word, and anon with joy receiveth it; 21 Yet hath he not root in himself, but dureth for a while: for when tribulation or persecution ariseth because of the word, by and by he is offended. 22 He also that received seed among the thorns is he that heareth the word; and the care of this world, and the deceitfulness of riches, choke the word, and he becometh unfruitful. 23 But he that received seed into the good ground is he that heareth the word, and understandeth it; which also beareth fruit, and bring forth, some a hundredfold, some 60, some 30.

13:24 The kingdom of heaven is likened unto a man which sowed good seed in his field: 25 But while men slept, his enemy came and sowed tares among the wheat, and went his way. 26 But when the blade was sprung up, and brought forth fruit, then appeared the tares also. 27 So the servants of the householder came and said unto him, Sir, didst not thou sow good seed in thy field? from whence then hath it tares? 28 He said unto them, An enemy hath done this. The servants said unto him, Wilt

thou then that we go and gather them up? 29 But he said, Nay; lest while ye gather up the tares, ye root up also the wheat with them. 30 Let both grow together until the harvest: and in the time of harvest I will say to the reapers, Gather ye together first the tares, and bind them in bundles to burn them: but gather the wheat into my barn.

13:31 Another parable put he forth unto them, saying, The kingdom of heaven is like to a grain of mustard seed, which a man took, and sowed in his field: 32 Which indeed is the least of all seeds: but when it is grown, it is the greatest among herbs, and becometh a tree, so that the birds of the air come and lodge in the branches thereof. 37 He answered and said unto them, He that soweth the good seed is the Son of man; 38 The field is the world; the good seed are the children of the kingdom; but the tares are the children of the wicked one; 39 The enemy that sowed them is the devil; the harvest is the end of the world; and the reapers are the angels. 40 As therefore the tares are gathered and burned in the fire; so shall it be in the end of this world. 41 The Son of man shall send forth his angels, and they shall gather out of his kingdom all things that offend, and them which do iniquity; 42 And shall cast them into a furnace of fire: there shall be wailing and gnashing of teeth. 43 Then shall the righteous shine forth as the sun in the kingdom of their Father. Who hath ears to hear, let him hear.

13:44 Again, the kingdom of heaven is like unto treasure hid in a field; the which when a man hath found, he hideth, and for joy thereof goeth and selleth all that he hath, and buyeth that field. 45 Again, the kingdom of heaven is like unto a merchant man, seeking goodly

pearls: 46 Who, when he had found one pearl of great price, went and sold all that he had, and bought it. 47 Again, the kingdom of heaven is like unto a net, that was cast into the sea, and gathered of every kind: 48 Which, when it was full, they drew to shore, and sat down, and gathered the good into vessels, but cast the bad away. 49 So shall it be at the end of the world: the angels shall come forth, and sever the wicked from among the just, 50 And shall cast them into the furnace of fire: there shall be wailing and gnashing of teeth. 51 Jesus saith unto them, Have ye understood all these things? They say unto him, Yea, Lord. 52 Then said he unto them, Therefore every scribe which is instructed unto the kingdom of heaven is like unto a man that is an householder, which bringeth forth out of his treasure things new and old.

15:1 Then came to Jesus scribes and Pharisees, which were of Jerusalem, saying, 2 Why do thy disciples transgress the tradition of the elders? for they wash not their hands when they eat bread. 3 But he answered and said unto them, Why do ye also transgress the commandment of God by your tradition? 4 For God commanded, saying, Honour thy father and mother: and, He that curseth father or mother, let him die the death. 5 But ye say, Whosoever shall say to his father or his mother, It is a gift, by whatsoever thou mightest be profited by me; 6 And honour not his father or his mother, he shall be free. Thus have ye made the commandment of God of none effect by your tradition. . . . 11 Not that which goeth into the mouth defileth a man; but that which cometh out of the mouth, this defileth a man. . . . 17 Do not ye yet understand, that whatsoever entereth in at the mouth goeth into the belly, and is cast out into the draught? 18 But those things which proceed out of the

mouth come forth from the heart; and they defile the man.

19 For out of the heart proceed evil thoughts, murders, adulteries, fornications, thefts, false witness, blasphemies:

20 These are the things which defile a man: but to eat with unwashen hands defileth not a man.

23:1 Then spake Jesus to the multitude, and to his disciples, 2 Saying, scribes and Pharisees sit in Moses' seat: 3 All therefore whatsoever they bid you observe, that observe and do; but do not ye after their works: for they say, and do not. 4 For they bind heavy burdens and grievous to be borne, and lay them on men's shoulders; but they themselves will not move them with one of their fingers. 5 But all their works they do for to be seen of men: they make broad their phylacteries, and enlarge the borders of their garments, 6 And love the uppermost rooms at feasts, and the chief seats in the synagogues [churches, temples], 7 And greetings in the markets, and to be called of men, Rabbi, Rabbi [Father, Pastor. Reverend] 8 But be not ye called Rabbi: for one is your Master, even Christ; and all ye are brethren. 9 And call no man your father upon the earth: for one is your Father, which is in heaven. 10 Neither be ye called masters: for one is your Master, even Christ. 11 But he that is greatest among you shall be your servant. 12 And whosoever shall exalt himself shall be abased; and he that shall humble himself shall be exalted. 13 But woe unto you, scribes and Pharisees, hypocrites! for ye shut up the kingdom of heaven against men: for ye neither go in yourselves, neither suffer ye them that are entering to go in. 14 Woe unto you, scribes and Pharisees, hypocrites! for ye devour widows' houses, and for a pretence make long prayer: therefore ye shall receive the greater damnation. 15 Woe unto you, scribes and Pharisees, hypocrites! for ye compass sea and land to

make one proselyte, and when he is made, ye make him twofold more the child of hell than yourselves. 16 Woe unto you, ye blind guides, which say, Whosoever shall swear by the temple, it is nothing; but whosoever shall swear by the gold of the temple, he is a debtor!

16:15 He saith unto them, But whom say ye that I am? 16 And Simon Peter answered and said, Thou art the Christ, the Son of the living God. 17 And Jesus answered and said unto him, Blessed art thou, Simon Barjona: for flesh and blood hath not revealed it unto thee, but my Father which is in heaven. 18 And I say also unto thee, That thou art Peter, and upon this rock I will build my church; and the gates of hell shall not prevail against it.

19 And I will give unto thee the keys of the kingdom of heaven: and whatsoever thou shalt bind on earth shall be bound in heaven: and whatsoever thou shalt loose on earth shall be loosed in heaven. 20 Then charged he his disciples that they should tell no man that he was Jesus the Christ.

19:3 The Pharisees also came unto him, tempting him, and saying unto him, Is it lawful for a man to put away his wife for every cause? 4 And he answered and said unto them, Have ye not read, that he which made them at the beginning made them male and female, 5 And said, For this cause shall a man leave father and mother, and shall cleave to his wife: and they twain shall be one flesh? 6 Wherefore they are no more twain, but one flesh. What therefore God hath joined together, let not man put asunder. 7 They say unto him, Why did Moses then command to give a writing of divorcement, and to put her away? 8 He saith unto them, Moses because of the

hardness of your hearts suffered you to put away your wives: but from the beginning it was not so. 9 And I say unto you, Whosoever shall put away his wife, except it be for fornication, and shall marry another, committeth adultery: and whoso marrieth her which is put away doth commit adultery. 10 His disciples say unto him, If the case of the man be so with his wife, it is not good to marry.

11 But he said unto them, All men cannot receive this saying, save they to whom it is given. 12 For there are some eunuchs, which were so born from their mother's womb: and there are some eunuchs, which were made eunuchs of men: and there be eunuchs, which have made themselves eunuchs for the kingdom of heaven's sake. He that is able to receive it, let him receive it.

22:1 And Jesus answered and spake unto them again by parables, and said, 2 The kingdom of heaven is like unto a certain king, which made a marriage for his son, 3 And sent forth his servants to call them that were bidden to the wedding: and they would not come. 4 Again, he sent forth other servants, saying, Tell them which are bidden, Behold, I have prepared my dinner: my oxen and my fatlings are killed, and all things are ready: come unto the marriage. 5 But they made light of it, and went their ways, one to his farm, another to his merchandise: 6 And the remnant took his servants, and entreated them spitefully, and slew them. 7 But when the king heard thereof, he was wroth: and he sent forth his armies, and destroyed those murderers, and burned up their city. 8 Then saith he to his servants, The wedding is ready, but they which were bidden were not worthy. 9 Go ye therefore into the highways, and as many as ye shall find, bid to the marriage. 10 So those servants went out into the highways, and gathered together all as many as they found,

both bad and good: and the wedding was furnished with guests. 11 And when the king came in to see the guests, he saw there a man which had not on a wedding garment: 12 And he saith unto him, Friend, how camest thou in hither not having a wedding garment? And he was speechless. 13 Then said the king to the servants, Bind him hand and foot, and take him away, and cast him into outer darkness; there shall be weeping and gnashing of teeth. 14 For many are called, but few are chosen.

21:27 And he said unto them, Neither tell I you by what authority I do these things. 28 But what think ye? A certain man had two sons; and he came to the first, and said, Son, go work to day in my vineyard. 29 He answered and said, I will not: but afterward he repented, and went. 30 And he came to the second, and said likewise. And he answered and said, I go, sir: and went not. 31 Whether of them twain did the will of his father? They say unto him, The first. Jesus saith unto them, Verily I say unto you, That the publicans and the harlots go into the kingdom of God before you. 32 For John came unto you in the way of righteousness, and ye believed him not: but the publicans and the harlots believed him: and ye, when ye had seen it, repented not afterward, that ye might believe him. 33 Hear another parable: There was a certain householder, which planted a vineyard, and hedged it round about, and digged a winepress in it, and built a tower, and let it out to husbandmen, and went into a far country: 34 And when the time of the fruit drew near, he sent his servants to the husbandmen, that they might receive the fruits of it. 35 And the husbandmen took his servants, and beat one, and killed another, and stoned another. 36 Again, he sent other servants more than the first: and they did unto them likewise. 37 But last of all he sent unto them his son,

saying, They will reverence my son. 38 But when the husbandmen saw the son, they said among themselves, This is the heir; come, let us kill him, and let us seize on his inheritance. 39 And they caught him, and cast him out of the vineyard, and slew him. 40 When the lord therefore of the vineyard cometh, what will he do unto those husbandmen? 41 They say unto him, He will miserably destroy those wicked men, and will let out his vineyard unto other husbandmen, which shall render him the fruits in their seasons. 42 Jesus saith unto them, Did ye never read in the scriptures, The stone which the builders rejected, the same is become the head of the corner: this is the Lord's doing, and it is marvellous in our eyes? 43 Therefore say I unto you, The kingdom of God shall be taken from you, and given to a nation bringing forth the fruits thereof.

23:29 Woe unto you, scribes and Pharisees, hypocrites! because ye build the tombs of the prophets, and garnish the sepulchres of the righteous, 30 And say, If we had been in the days of our fathers, we would not have been partakers with them in the blood of the prophets. 31 Wherefore ye be witnesses unto yourselves, that ye are the children of them which killed the prophets. 32 Fill ye up then the measure of your fathers. 33 Ye serpents, ye generation of vipers, how can ye escape the damnation of hell? 34 Wherefore, behold, I send unto you prophets, and wise men, and scribes: and some of them ye shall kill and crucify; and some of them shall ye scourge in your synagogues, and persecute them from city to city: 35 That upon you may come all the righteous blood shed upon the earth, from the blood of righteous Abel unto the blood of Zacharias son of Barachias, whom ye slew between the temple and the altar. 36 Verily I say unto you, All these

things shall come upon this generation. 37 O Jerusalem, Jerusalem, thou that killest the prophets, and stonest them which are sent unto thee, how often would I have gathered thy children together, even as a hen gathereth her chickens under her wings, and ye would not! 38 Behold, your house is left unto you desolate. 39 For I say unto you, Ye shall not see me henceforth, till ye shall say, Blessed is he that cometh in the name of the Lord.

24:1 And Jesus went out, and departed from the temple: and his disciples came to him for to shew him the buildings of the temple. 2 And Jesus said unto them, See ye not all these things? verily I say unto you, There shall not be left here one stone upon another, that shall not be thrown down. 3 And as he sat upon the mount of Olives, the disciples came unto him privately, saying, Tell us, when shall these things be? and what shall be the sign of thy coming, and of the end of the world? 4 And Jesus answered and said unto them, Take heed that no man deceive you. 5 For many shall come in my name, saying, I am Christ; and shall deceive many. 6 And ye shall hear of wars and rumours of wars: see that ye be not troubled: for all these things must come to pass, but the end is not yet. 7 For nation shall rise against nation, and kingdom against kingdom: and there shall be famines, and pestilences, and earthquakes, in divers places. 8 All these are the beginning of sorrows. 9 Then shall they deliver you up to be afflicted, and shall kill you: and ye shall be hated of all nations for my name's sake. 10 And then shall many be offended, and shall betray one another, and shall hate one another. 11 And many false prophets shall rise, and shall deceive many. 12 And because iniquity shall abound, the love of many shall wax cold. 13 But he that shall endure unto the end, the same shall be saved. 14

And this gospel of the kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come. 15 When ye therefore shall see the abomination of desolation, spoken of by Daniel the prophet, stand in the holy place, (whoso readeth, let him understand:) 16 Then let them which be in Judaea flee into the mountains: 17 Let him which is on the housetop not come down to take any thing out of his house: 18 Neither let him which is in the field return back to take his clothes. 19 And woe unto them that are with child, and to them that give suck in those days! 20 But pray ye that your flight be not in the winter, neither on the sabbath day: 21 For then shall be great tribulation, such as was not since the beginning of the world to this time, no, nor ever shall be. 22 And except those days should be shortened, there should no flesh be saved: but for the elect's sake those days shall be shortened. *End of Book of Matthew quotation.*

*Make no mistake: We are owned, earth and **all**.*

1. The problem of religious compliance.

No violence in Jesus' teachings, no hatred here; just the Calvinist refusal to abide by His Teachings by those who call themselves "Christians" but who follow the dictates of Saul of Tarsus rather than the Son of God YHVH who taught us Peace.

And these Teachings of Jesus are long-term effective in keeping the Peace; but the Apostle Paul teaches, Christians don't have to follow them, nor follow any Law. This is Lutheranism and Calvinism, and the result is, Christian denominations wrangle and divide over doctrine, dogma and practice; but they don't pay much attention to their behavior because they presume they'll be forgiven for everything they do. That's their belief: Jesus saves us from our own behavior, and He's going to come back and rescue us from our follies.

In Christian Churches today, there is no mention of Seed of Abraham, Covenants-in-time, nor of Kingdom of David, nor of Commandments of Holy Law, nor of the march of history that Archaeology and Anthropology expose. It's really quite odd, to attend services that focus generally on assembly, liturgy, recitation, personal testimony and food.

And so, all three of the major religions teach lawlessness of one form or another, by their Books. And they all believe, "God" is going to bless them for what they happen to be doing.

Today's Reformed Protestant Church is full of heresy and political-correctness--no help at all to single-parents,

veterans, disabled, orphaned human beings--and parishioners vote with their feet in droves. Revolution in the Church of England is taking the form of dissolution because leadership has adopted nonScriptural norms of uncivil and unsocial behavior: it's that simple. They don't follow their own Scriptures!

- Adopted unscriptural same-sex marriage, homosexuality generally, inside the Church. It's not enough to tolerate and be civil to Other peoples' choices, on the outside.
- Inculcate mass media-heralded values of social discourse toward lowest-common denominator thinking.
- Accept violence and vice in entertainment & speech;
- Practice addictions: texting, traveling, shopping, eating, drinking, drugging, gossip, cursing, all acceptable!
- Acquiesce to political partisanship and imperial pretensions of a renegade Federalist State;
- Abandon the entire goal and concept of “righteousness” as in “being separate from and without spot from the world.”

The aforementioned practices simply do not belong in Hebrew-Scripture-guided societies; whereas Chastity, Tithing and Holy Community are practically unknown concepts today--let alone, Modesty, Thrift and Humility--in

our Churches. It's called "Old Fashioned" to demand personal integrity and truth from oneself.

Those outside of the Church, of course, "do whatever they wilt," as Albert Pike, the great Luciferian philosopher taught and lived, as Satanists, Occult and Masonic followers do. Nothing new here except the evangelism of Atheism and the cult of self-service.

This is not helpful in sorting out what is going to need to happen in order for Peace to obtain over Wars. Arguing over beliefs and letting controversial and provocative behaviors slip by, go unnoticed, indulged and pandered to is not the way of the Lord.

Alienation is the outcome of fragmented thinking, uncritical acceptance of popular beliefs, saturation by media products, and the inability of the younger generation to speak to their elders with the same language.

VIII. ETHICS ??

Whom are we following to a Promised Land?

Inter-dimensional realities need a simple visual explanation. See diagram that follows, and in this graphic we begin laying out where and in what dimensions are our perceptions organized, from the bottom to the top.

Remember, Dimension 1 is a point on the ground.

Dimension 2 is a line, of thought or form.

Dimension 3 is a location in Space. That's us, here.

Why are we placed or born here, live & die here?

Process. Some process placed our Soul here.

What is PROCESS? Is “practice” also process?

Dimension 4 is time and it implies acts & moves.

Dimension 5 movement toward order or chaos.

Dimension 6 is purpose, a direction, intention.

Dimension 7 is feedback and blowback.

Dimension 8 relates us to the sense we got back.

Dimension 9 is our judgment about the relation.

Dimension 10 is escape.

What is a problem about this? Well, for one thing, ET's aren't on the same “page” [Dimension] we are. They live, at least the Annunaki (over our heads in “Heaven”) in Dimension 5 and their location is >never< an established location nor do they experience processes of time and aging.

TEN DIMENSIONS OF MATERIAL LIFE & LIVING

Would it surprise you if I told you, ET's don't think the way we do? They don't define Reality similarly?

Would it surprise you if you learned, they ***can't even imagine what the words "Cause and Effects" mean?*** To the Annunaki, those words "cause and effects" have little intrinsic meaning to their lives because, their DNA (same as ours) composed of higher frequency nuclear particles that are further apart, their bodies aren't as compact and in one place as ours are; time does not exist.

They float, and not only that, they float on a constantly inundating, melting and reforming surface, one they're visualizing and manifesting in real-time. And that's what's "normal" for them. The only way they have a building that stays put is if a group of Them get together and DECIDE, all together, on the exact shape of that building—mentally—agree how it will appear and where everything in it will be and be used and placed and serve . . . beforehand. They can't construct a building without having a committee all agree on every detail; and thereafter, no changes to it can ever be accepted. This is how the Annunaki live; and so when I remind you, they set up Hierarchies and Monarchies, you'll say, well, of course! How else could they possibly agree on anything **unless** there was a chain-of-command?

What Annunaki can't understand about us humans—because "getting," "having" and "keeping" are so foreign to them that they trade everything away as fast as they can—is how and why humans appear to **hoard everything**. Why, they ask, do humans keep what you have to clean, repair, store and never use?

The whole concept of “ownership” makes no sense to Annunaki walking-around **people** because they are travelers; so how can you own a planet? You want to drag it with you as you traverse the stars? And so they judge against humanity for getting, owning and keeping and wanting and having; but, as in all hypocrisy, they drag their own planet behind them wherever they go, literally, always traveling with their dead planet in tow.

So their Ethic doesn't make any sense to us, just as our Ethic doesn't make any sense to Them.

WE ARE OWNED by Annunaki Leadership.

However, the Ethic of ownership is part of their Elite leadership Hierarchy, their Monarchy and their system of finance. And this is why we're in trouble today; because their Rules of Ownership do not fit us well because we don't all think together, as they do.

Annunaki leaders think differently from Annunaki people, and our human leaders think differently from our people. The problem is, our humans leaders are no longer focused on and vested in resolving real problems in time and space; they're thinking like 5th Dimensionals, talking heads who never get down to business.

This is why top-down leadership propaganda keeps us in turmoil because the Elites want us all thinking together, as Ets think together. But because we're a very diverse population, that's not going to happen . . . not anytime in the foreseeable future. So what now? Will a totalitarian regime succeed, as it did in China, in forcing all the people to think the same way? Do we have to learn to think together—better—or are we going to continue to be deceived into wars and trouble? This is our problem.

The next thing I have to tell you about Annunaki is this : they respond to different wavelengths of light than we do. They live “in the light,” as they say. ***Well, what does that mean?***

I learned this at Xerox Service Training, but I never understood the implications of it until recently.

We in third density live (on the right) in **whitelight** that spreads into RED ~ GREEN ~ BLUE. And we appear to be very solid, although our nuclear particles are spread widely apart.

On the left is the “white” created by **blacklight** colors CYAN {turquoise blue} ~ MAGENTA {purplish pink} and YELLOW. It's why we have a blue sky (absent some cloud cover) because there's a great deal of UV and **blacklight** shining in our skies all the time.

The **blacklight** hand is transparent, just as a ghost is transparent. And this is why many ET's and UFO's can only be seen by Nightshot Camera or on digital film—not

with the naked eye—because equipment can respond to blacklight and UV that our physical eyes cannot respond to.

In addition to being either transparent and floating helplessly, the Annunaki have the **skills** to compact, increase, stabilize and **solidify their bodies** ~or~ they can mobilize, spread out and become transparent, at will. They can breathe or (another choice) they can alter their digestion to generate oxygen from food, also at will, but that takes longer to transform into.

Annunaki are way past humans in kinetic abilities, they live a lot longer and they're telepathic; so it's very hard to argue against the realization that they're way more sophisticated and complicated than we are. Finally, their way of dealing with problems and issues simply drives us >NUTS< because all they know how to do is generalize over our heads . . . just as our leaders and politicians do.

Annunaki are subtle, capable of piercing ten veils of understanding--telepathically and at a distance: This is a transformative skill, better than simple remoteviewing. Here's an illustration of the Ten Veils of understanding.

1 . There's an idea.

12 . and how one deals with the idea.

123 . and whether one think's it's sufficient;

1234 . and whether it's sufficient to try;

12345 . and whether trying it out is an option;

123456 . and if sufficient to create a form;

1234567 . and if the form will be recognizable;

12345678 . and if what will be recognized is clear;

123456789 . and whether it will convey some good;

1234567890 . to the effect it will serve well.

Look at this next diagram. Here's how different our human thinking is from Annunaki thinking. We humans live “in space which is black” and the stars are all twinkling white lights.

The Annunaki live “in whitelight,” and the stars and heavenly bodies are black dots to them. They live on the inside of a sphere, and our whole planet looks to them like an empty sky, because they are dark matter and we are whitelight matter.

ENKI ANNUNAKI

"IN THE LIGHT: WHERE SPACE IS LIGHT,
BUT THE PLANETS APPEAR DARK."

BLACKLIGHT SUNS

The expression "In the Light" refers to space in light but bodies appear Dark. ~~~ Subjective reality operates outside of time; Thoughts **IN ETERNAL EMPATHY**. Annunaki & Nibiru Subjective Dogma is prior to Material and physical Principle because Wisdom pre-programs Reality. Dark matter is lit in colors, cyan, magenta & yellow.

Civil Justice is defined as alignment with appropriate Thoughts, Beliefs, Policies, Procedures, Doctrines, Dogmas, Methods, not with outcomes. It is deemed UNnecessary to know causes & effects; only abstractions & intentions count or matter.

HOW "HIERARCHY" WORKS

- Creation is all one; as above, so must the lower levels align, in their points-of-view, doctrines and manifestations;
- Experience is mental; a heart receives no input from a physical WILL.
- As thoughts go, like attracts like, naturally, without Law. Therefore, every good thought attracts the Good, but every disruptive thought must be sublimated and forbidden access.
- Silence is golden; one must only speak when spoken to from Above; bad reports are resented; gossip is forbidden.
- There is no personal truth that cannot manifest in Eternity. Thus Reality is an illusion, and the Soul is responsible for his INNER HARMONY.
- Peace and Harmony according to the Astrological Model, No Differences of Opinion showing up, viz Unified Thought.
- Communication is by Chain of Command.
- "Seek," "try," "promise," "vow," and "covenant" have no value because every thought can manifest.
- Elites define "the Good," and only they know what is "true" so Sheeple can live on in Peace, unconcerned with governance.
- Wrong [disharmonious] thoughts are ripped in the bud with social sanctions before they manifest bad effects, crimes against manifesting Harmony.
- Under Emerald Covenant titles, peoples can be culled/killed en masse (as a form of eugenics or hierarchal command who are innocent of crimes of bad behavior, simply for having "wrong" cultural beliefs.

ENLIL ANNUNAKI

"IN THE DARK: WHERE SPACE IS DARK,
BUT THE PLANETS LOOK LIKE LIGHTS."

WHITELIGHT SUNS

>>NOTE, Subjective Patriarchs don't have to be here physically to control us. Patriarchy predation [specialness] & SLAVERY exists as corporate SEA statutes that transmit this Ethic into all dealings.

WHITELIGHT SUN - THIRD DIMENSION

In the darkness of space where Planets look like LIGHTS (where we are): Physical matter is lit in whitelight colors red, green and blue.

Physical & material Reality operates by Causes & Effects in real time, as outcomes in TIME AND EGO SEPARATION. Civil Justice is defined as outcomes of behavior, by Law of Causes & Effects; and this definition requires behavior to be subject to scrutiny.

HOW "FAIRNESS" WORKS

- Human Physical Reality operates as effects arise time in and space; to be accepted or corrected.
- Experience is real and palpable; fraught with conflict and comparison, meaning and interpretation; and therefore, memorable.
- Physical Law says: Opposites attract (in electrical and physical theory), not like-to-like.
- Thoughts produce beliefs, doctrines, intentions, reasons; thus to vow, promise and try are acceptable as legal tender with value attributed to INTENTIONS as to outcomes.
- Intentional behavior creates outcomes measurable as good, neutral or bad (harmful, deceitful or wasteful). Thus good Law is critical to social justice (in order to disrupt predation and parasitism), and Communication is by Just TRUTH--THUS--Everyone is responsible to know what is true and verifiable with evidence, moving upward toward leadership from outcomes, not downward from leaders as policy.
- No problem can be solved or resolved unless each stakeholder's effects upon their will are spoken and heard. Indeed, suppressing a will's attempts to speak from effects is a crime against the human right to freely speak and articulate outcomes--clearly, sincerely and truthfully.
- Commonsense Reason requires the process of rendering Justice to examine and include motives and intentions with outcomes in order to establish moral accountability.
- A life lived in Integrity to Truth warrants more time in Eternity in Harmony with Truth.

5thDensity RULES FOR MANIFESTATION taught in every New Age and Occult Assembly, every Masonic Order.

1. "Creation is All One," as if Diversity in spirit and will has no point of departure and all humans experience Life similarly--not true.

2. "Reality is an Illusion," implies that we don't need to pay attention to consequences or effects of human behavior. Further, this doctrine asserts, there's no way to know what is true, and Evil is just a point-of view." Physical life has physical boundaries and experiences time, and processes and effects from causes.

3. "Do what thou wilt," is Luciferian Anu-naki dogma, Babylonian; and this teaching promotes avoidance of outcomes that display harm, cost and deceit. Self-service is expected.

4. "Like attracts like" opposes Physics. Partial Physics, and Electronics both teach: opposites attract. So Like Attracts Like only actually works if one has a legal system at your back to undo Darwinian Laws of the Jungle and the Law of Physics and to promote Justice which is a good act ought to be followed by a good outcome--not by predation or waste.

5. "There is no such thing as physically trying to solve any problem. You either manifest or you don't." It is believed outcomes are created by manifesting influence in the mind--How?--solely by prayer for what you want, by wishing, expecting and conjuring God, Angels and Higher Entities. No actions on your part! In fact, if you even continue to think about a problem, you are said to be part of it and increasing its prevalence.

6. "Astrology" gives rote rationalizations for bad and harmful outcomes and effects in life. A usual explanation for a failure of a good person to thrive is, "they weren't good enough"--not a truth that they might have been deceived, tricked, lied to or preyed upon by agents or agencies pursuing predatory legalism.

7. "As above, so below" results in a set of 5th dimension social classes that turn inward toward their own desires, become passive

and complacent about condition of Others. New Age ideology creates top-to-bottom hierarchy among Elites; but it's the old Indian caste and slave system all over again, which Jesus trampled by his examples and parables.

Hierarchical leadership undercuts true knowledge at every level of experience.

Here's how hierarchy works. NOTICE, Subjective Patriarchs don't have to be here physically to control us. They have already seeded their ideology of SPECIALNESS VS. SLAVERY into every Hierarchy on our planet, so all leaders of every nation believe in the 5th dimensional Ethic and transmit that Ethic into all their business dealings.

1. They withhold true knowledge [FACTS!] from their constituencies and they set their Elite Corps (corporations, institutes, unions, academies, professionals] into hierarchies where one individual-- naturally **A man**--tells everybody else what to know, think and do. They absolutely stupefy their chain of command so the people at the bottom can brag about not knowing the answer to any problem.
2. They call this way of doing business, corporate "Policy, Processes, Procedures and Practices." Their corps are told--and paid--to NOT KNOW anything outside or other than the dogmas and doctrines of the Leader class. We run into stupefied bureaucrazies wherever we go because US/UK leadership has been saturated with Occult hierarchy dogmas for 800 years since the Magna Carta was repudiated by Northern European hierarchy..
3. "ME! ME! ME!" If you notice, Occult doctrine is that an individual only needs to be concerned about his own prosperity, his own physicality, his own group or culture and soul history. He NOT- SEES, chooses not to see situations of suffering or woe around him.
4. There is no sense of public or social responsibility in an Astrological chart, nor in the Subjective idea-mind except to force and coerce conformity to Thought Groups, Factions, Sects

or Opinions. On the contrary, here in 3rd dimensional Physical what we must know, think and do is respond responsibly to events in time and space, because here we are dominated also by Causes & Effects in Physics, Elemental and Biochemistry and Weather changes--phenomena which the Subjective Dimension and their Occult ideology do not have to deal with ordinarily (except when Karma shows up).

5. We Earth humans don't have an option to just "throw out the baby with the bathwater" and toss religion out of our lives because Religion is our communication with the rest of the Universe. Our planet has been overcome and encompassed by Nibiru, our Annunaki captors, and their form of meta-physics [for us] is Slavery.

~ HIERARCHY (Patriarchy) Versus Matriarchy ~

Suppressing the Feminine.--Rules for living in the Subjective (in Heaven) differ from appropriate rules for living in Cause-and-Effect 3D (here). When a Soul is abiding in Heaven, breaking these rules gets a soul evicted; there is no place to reside. That's how serious the matter of Rules is, there. Living in Heaven, the 5th-7thD Rules aren't physical:

- 1 . Keep order by minimizing manifestations of the Spirit ("stuff"); keep personally clean so you're not noticed for smells.

2. Speech. Speech is used infrequently there; mainly telepathy and principally one communicates as part of a Thought Collective in the 5th Density community, to wit:

- 2a. One only speaks when required or spoken to. Submit.

- 2b. There are some topics which are simply not allowed to be discussed in polite company.

- 2c. One is expected to avoid listening to people speaking of their own personal experiences because they do not affect you.

3. Judgments are none of your business [no matter how things work out or don't work out].

3a. One must harbor no judgments about what happens.

Rules 2a, b and c are particularly unfortunate when used in the 3rd D Physical among middle and upper class kids who incarnate in the Physical from the realm of Heaven, because what it does is disable them from speaking up or speaking out for themselves when a problem occurs. They retain the memory of the correct Rules they bring with them, so they are very timid.

3b. If you wonder about someone's character or experience, make up something, an idea, a question, a simulation, a sequence of questions, a "*What IF*," and share your *what if* (made up) experience with them; and they'll tell you how they would deal with it. This is what happened to Eve in the Garden of Eden. She got tested, and she proved she didn't understand her role.

Such a subjective tactic is underlying the predatory-political strategy of using surveys (false simulations) to make masses of people feel as if their p-o-v is being considered, when in fact, surveys are an imitation of communicating because no context elements occur in surveys and they are completely shallow and devoid of coherent data. Surveys are a scam, by definition, especially in the way they are used to bias the media.

Rule 3b also means, *in Heaven there is no such thing as a LIE* because there is no such thing as a *FACT* in Heaven. So making up stories is the way Heavenites experience *any* experience.

But "lying," making up false experiences to test someone, here in Physical 3D, devastates problem definition and sidetracks peoples' knowledge of what is true (facts, occurrences, outcomes) versus what is not true. Also, the use of fiction as entertainment serves the same purpose as simulations do in Heaven, providing vicarious experiences; but here fiction, movies, video games, etc. are being co-opted by power predators, so fiction is being used to control masses judgments around behavior and outcomes.

NOTE: What does "saving your soul" mean? People don't know this. It means one's memories are saved to disk and when the Soul is re-activated, it has its previous

identity to work from. Souls not saved have to remember everything without assistance from the Godhead.

GLOBAL Patriarchal Leadership in 3rd Density Physicality

Modern society has stumbled over conceited leadership derived from Anu-naki hegemony, who eschew Holy Laws of physical existence: causes & effects, operation of vows, promises, covenants, and civil Law in a manner Just and Fair (merciful) behaviors.

Modern society doesn't even talk about what Justice is. I don't think we know. In my meditations, I was told that ***Justice is the following:***

A well-intentioned individual doing a harmless or positive act receives a good outcome. If he is disrupted by someone else, he has the right to go to a Judge, proclaim his injury, and the Judge act on behalf of Law to restore the honest man and disrupt the disrupter.

The Judge places the disrupter into a situation wherein he must return to the practice of doing good and not harm. And in this way, the relation in Physics that says, "Opposites attract" [Good people attract predators.] is corrected, and the action, the operation of Law of the Jungle, is reversed in which the good experienced Evil.

This is how Justice is supposed to work. Service to OTHERS is what is Godly—not service to self.

HOW Common Law works for "Justice" by creating good outcomes out of bad outcomes.

- Human Physical Reality is here, simply as effects arise time and space; to be accepted or corrected.
- Experience is real and palpable; fraught with meaning and therefore, memorable.
- Physical Law says: Opposites attract (in magnetic, electrical

and physical theory)--not like-to-like, which repel.

- Thoughts produce beliefs, doctrines, intentions, reasons; thus to vow, promise and try are acceptable as legal tender with value attributed.
- Intentional behavior creates outcomes measurable as good, neutral or bad (harmful, deceitful or wasteful). Thus good Law is critical to social justice (in order to disrupt predators and parasites)
- Communication is grassroots—truth-telling individuals.
- Everyone is responsible to know what is true and verifiable
- with evidence, what is not known to be true for any matter, trial or cause --moving upward toward leadership from outcomes--not downward from leaders as policy.
- No problem can be solved or resolved unless each stakeholder's effects [upon the will] are spoken and heard. Indeed, sublimation of emotional charges resulting from effects is to be discouraged, and actual outcomes articulated clearly, sincerely and truthfully.
- Commonsense Reason requires the process of rendering Justice to examine and include motives and intentions with outcomes in order to establish moral accountability.
- *A life lived in Integrity to Truth warrants more time in Eternity in Harmony with Truth, this is the reward of Salvation.*

Today Justice is wholly absent from English-speaking nations because Laws of the Admiralty, of the Sea, of corporate statutes, codes and Rules, give advantage and preference to Elites with deep pockets under derivatives of Roman corporate and privatized Law.

So in cosmic terms, Patriarchy is and was mandated to pursue real Justice over mercenary legalism and rule-baiting.

We must restore and repair the Maritime, Admiralty, Administrative Federalist systems to reward good behavior,

prohibit, regulate, forbid or punish bad behavior. that is, if we the People ever want Justice to return with Peace.

Remember what I said. Annunaki live by factions, as we do. They have their Monarchy (Law-centered) faction, their Individualist faction, and ET-NaziTrans-humanist factions. They are divided as we are.

IX. End Game: Crisis

INDIFFERENCE and GENDER ISSUES

(Matriarchy, Patriarchy and Androgyny)

ATHEISM (Luciferianism) & Secular Materialism want us all to believe in a Presumed Escape to Freedom

My personal experience is, I grew up in a large extended family of Ashkanazi Zionist atheists, and my birth mother was Occult-Shaman vested in Astrology and contemporary New Age doctrines: (All-One, Like-attracts-Like, Reality is an Illusion, No such thing as Truth, We manifest our Wishes, etc.)

Our human predicament is that we have no reliable models for ethical, civil and tactful behavior, just as I had no leading as an adopted kid in a Zionist household. So for the moment, we'll add this element—the refusal of Occult and Atheistic egos to accept accountability for their behavior—to our collective conundrum—the mess we've got in which wailing and moaning over bad outcomes of behavior isn't the same as confronting, addressing and solving problems. Right now

we've got no light at the end of this tunnel. ***Where the hell is Moses, anyway? How are we going to get "there" from here?***

Our Anglo-human predicament in Diversity is that, unlike China where a Meritocracy is developing around personal skills, here in the West, we're distracted, untaught, uneducated, untrained in Law, Thrift and Hygiene and we're kept busy reacting to television, movies, videos, provocative music and bad news. Personal changes in awareness and behavior must occur, to survive this.

INDIFFERENCE to Poverty

In my Books, I often include John Hoshor's, "*SEED MONEY: Working the Law of Tenfold Return*," because service-to-Others is the Way of Jesus. Moreover, it is the only way Christians can thrive in a dishonest world, by giving ten or more percent to worthy others and *manifesting a return to prosperity*.

In my case, I've always been in the financial doghouse . . . until I put into practice the "tithe," and send money each month to orphans in Ghana, whom I found by God's Grace, on the internet unassisted by any organization. Since I'm helping these kids out, I never lack for funding, and I can hold to my budget.

GENDER ISSUES (a Reasonable attitude)

(MATRIARCHY . PATRIARCHY . ANDROGYNY)

1. Is it a matter of choice, what our gender is? No. In the enormous experiment we call life, Gender is a given

and if we rebuke Gender, we don't change it til next time we incarnate (or resurrect with memory).

2. What else happens if you change your gender?

A. If you change it medically, your soul becomes dormant when you die, because you the human, cannot be used for anything “regular.” If changing gender is your way of saying No to this Life entirely—which it often is--you can save your Soul by prayer and being tested to see if you're sincere or just blowing smoke.

B. If one adopts the homosexual lifestyle of a single monogamous relationship, similar to changing gender medically, with consistent attention to God's Presence, it can be worked through, to a new future.

But if the homosexual lifestyle of profligacy and rutting is adopted, there is no future use for the soul polluted with social diseases affecting one's DNA; and at death the soul becomes dormant, without further evocative experiences.

C. If you have cross-gender abilities, leadership in a woman or domesticity in a man, you probably switched genders in the past, and for good reason. This not only implies you have work to do now, but that your work is central to changing the social landscape. Expect your intrusion into opposite-gender work to be interesting, which is always is, and it ought not affect your personal life too much if you keep Harmony in your prayers.

D. Wars over gender and ideologies hostile to gender are best served by just getting out of the way of trouble, the most effective means being, mobilizing. If one is martyred over the issue of gender, you can bet the entire social system in which you are embedded is involved, and it is about to collapse into true anarchy, which is not the same thing as Authoritative Anarchy, which is what Hierarchy, Bureaucracy, Fascism and Communism all are. Anarchy against realities of causes and effects in time, but in favor of, thought constructions, illusions, delusions and preferences instead, is what constitutes totalitarianism.

True anarchy is rebellion against Authoritative Anarchy, it is a saving Grace for the soul, to stand up to and against the Machine, whatever the temporal cost or outcome.

When the Church rebels against the Authority of its own God—that of causes and effects in public health, sanctity of bloodlines and reversion to Authoritative Anarchy--anything goes among the people because Church leadership has defaulted; and each and every Soul is at such time judged as to his, her and its effects on others.

Remember this, effects on Other People constitute the Judgment of God, the same sort of Effects Jesus taught, of

intention, peace-making, solace, and long-suffering. ***Ritual does not matter; it has zero value in one's "relationship" to God Himself, merely human socialization to a body of believers.***

X. Getting Past Fear . . . and Moving on.

"The only thing we have to fear is fear itself."

***We the People of Earth are
on a Path to ORION . . . an Exodus
out of the Galaxy of the Christos-Founders
and their Racist-Sexist attitudes.***

So, let me go back to the time I was a very small child, five or six, and there was trouble at home. Mommy and Daddy weren't getting along, so Daddy left; and he was the only one who really noticed I was there. "Morrie" was the one who helped me fly my kite, taught me to whistle, and sat with me while I ate my breakfast sometimes. And then he left.

Next thing I knew I was sent down to Venice Beach to be with Grandma and Grandpa, who were in their 70s, unfamiliar having a small child around, so I wandered at will, but nobody ever bothered me, a little blond girl age six, alone on the Santa Monica beach.

One early and foggy July morning, before any of the concessions opened up on the boardwalk, I took a walk down to its end and back. And on the way back, I ran into a nicely-dressed woman standing with books in her hands. So I stopped.

The nicely-dressed lady told me all about Jesus, and I made up my mind at that moment, that He was going to be the one to teach me how to stay out of the sort of trouble that my Mommy was into. And so I gave my life to Jesus on that day.

Since that day sixty-five years ago, I have never been alone, never been without good Guidance, never been confused, in trouble, out of luck or lost. My relationship to the Spirit-Being Jesus has kept me through it all: adoption, three marriages and divorces, exhaustion and sickness until, today, I can say, it's been a good trip.

And that's the only solution I have to the world's problems, that individuals will allow benign Spirits to influence and Guide them toward moral and ethical behavior; so long-term, things work out okay.

About twenty years ago when I was very sick I began putting remote hearing (clair audient) and telepathic (remote viewing) into practice, honing my skills and utilizing Monroe Institute training materials, and I began doing remote viewing and writing things down that I collected into notebooks.

So the atheist, secular materialist family in which I grew up is all gone now; and who's left are my own children and grandchildren, all of whom have come up with the ethical Teachings I presented here. And I feel certain, they'll be alright in their futures. That's my story. And here's the ***formula for Safety of the soul*** that works out in the long run, which is this : But for my prayers as a child I might have been disrupted by Archons, abducted and harmed, lost or taken. My prayers were heard and I

grew up in a safe world, is my belief. So teach y our children how to pray . . . early on . . . because “God” is there even if your Church has no sense of the Divine.

“Put on the whole armor of God . . . Ephesians 6

11 Put on the whole armor of God, that ye may be able to stand against the wiles of the devil.

12 For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.

13 Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand.

14 Stand therefore, having your loins girt about with truth, and having on the breastplate of righteousness;

15 And your feet shod with the preparation of the gospel of peace;

16 Above all, taking the shield of faith, wherewith ye shall be able to quench all the fiery darts of the wicked.

17 And take the helmet of salvation, and the sword of the Spirit, which is the word of God:

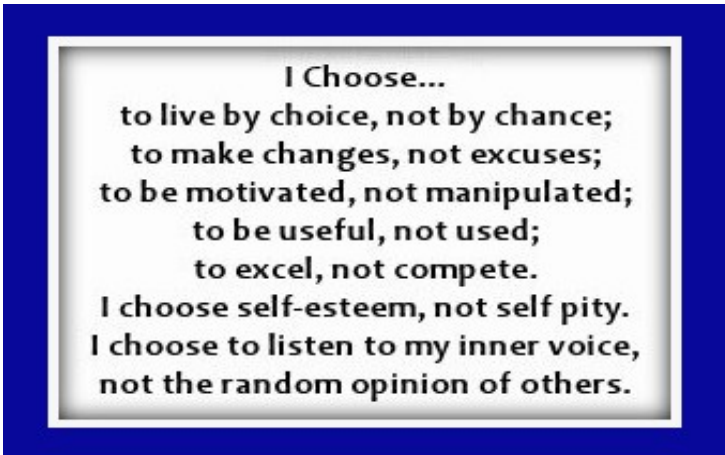

18 Praying always with all prayer and supplication in the Spirit, and watching thereunto with all perseverance and supplication for all saints.

Why does this work?

Because God is listening for your Soul to call Him. And go ahead and laugh, but that's how I got here from

way back There, when and where I was very lost.

But because I adopted [two-way] Prayer over every matter, every issue; because I mastered skills that promote learning and knowledge; and having accepted the practice of tithing (Service-to-Other), I can now feel confident most of the time, and not ashamed of my ignorance, most of the time.

***“Tis Grace has brought me safe this far, and Grace
will lead me Home.”***

SKILL SETS--

This book has been penned, typeset, composed, edited, proofed and brought to the publisher in whole cloth. Nobody else had a hand in it. In order to complete God's will *in my life anyway*, I had to serve apprenticeships in all these skills.

Every image in this book was found in the public domain, uncopyrighted, and customized in appearance to

be found, here, clear and crisp and useful.

Now, I shall proceed to the topic of digital imagery and how they inform my own spiritual—Godly--progress.

The Jump Into Space and Consequences

Some friends and acquaintances point at me and call me crazy because I dare look NASA in the face and call them liars. I've decided I'm going to take my readers step-by-step through the process I went through, discovering that our Planet Earth is not where they tell us, the Moon is not where they tell us, it's not the size they tell us, the Sun is not what nor where they tell us; the Planets are not where and how large they tell us, and so on.

How would anybody be able to figure this out, and **why** would Cosmic engineers decide, at this time, to switch suns on us, drop us through the ecliptic trapdoor and allow Earth wrapped in its dark matter cloak to go through these changes? What are these changes in response to?

“What goes up must come down, eventually.”

<http://www.cnn.com/2014/04/08/tech/innovation/universe-expansion-astronomers/index.html>

Scientists are talking more and more about the fact, the Universe at some point, stops expanding and, at some tipping point, reverses its course until its mass implosion creates another, the next, Big Bang.

My Guidance is, and has been, that changes going on over our heads presage the approach of the tipping point

for Milky Way and Sagittarius Galaxies (wherein we intersect both), and the collapse begins in a mere 53 years. This is the ***why behind changes*** in our skies.

. . . to follow.

“They” told us what They were going to do, back in 2008, that their “system” of dark matter was somehow going to intrude into our “system” of whitelight matter. (I’ll explain “light” below.)

All summer long, every summer “They” tried to communicate with us, utilizing Crop Circle technologies.

Who’s this “They” we talking about here? Well, whom have I been speaking of all along, the Ones who are so far ahead of technologically that they dabble and toy with us and our cultures? Annunaki engineers.

What they didn’t tell us, was that their Intrusion is so massive, its attaching to the outside of our atmosphere (making it now a “firmament”) that OldSol’s gravity well for Earth could no longer hold our mass, and we would fall through, like a trap door, plummeting south toward Orion. And when did the “fall” occur? When “Comet Elenin” got between Earth and our Sun, on September 26, 2011. That was the plan--and it was executed perfectly--if Earth is to make it to the Frontier of these two Galaxies before Universe Implosion takes place, and takes us with it.

And so our planet has broken from its OldSol system, and we, wrapped in this dark matter toroid are on a journey out of the Jurisdiction of the Christos Founders, the Emerald Covenant Treaty, and the problem of being abducted, experimented on and eaten.

We, the mixed Company of Earth humans, after the pattern of the Israelites in the Wilderness, are on our way to ***“a New Heaven and a New Earth in which righteousness is to dwell.”*** Our vehicle is our planet, and we’re scattered like children across a playground.

Due to circumstances beyond our control, there is reason to believe, and I recall it was reported in Scientific News, that this >next< Universe Collapse will differ from previous events, in that, not all mass will be involved in imploding. That's the hope, that we on Earth, in our little solar cluster, with inter-dimensional Life—Folk—from as many wave-lengths as possible, will escape to the Frontier prior to the End, the collapse of Universe matter. YHVH has us in tow; our Law leads us to crave and want to practice Justice with Harmlessness.

NASA is no help. They're a propaganda organ devised by the National Security Agency to keep people “in line operating as if everything is normal” indefinitely. And so NASA publishes the most ridiculous, outrageous dysinfo that anyone practiced in the technology of digital imagery can see plainly. Stupid stuff.

When I worked at Xerox I learned how digital images are actually movies that contain much more data than a mere [rigid] photographs do. In order to “fix” my customers' copies (so the copies looked just like the original) I had to learn how to manipulate the digital files: rotation, scaling, contrast and hues.

Already in 20032004 I was viewing double-sun images of Nancy Lieder, but without any understanding of what was happening to the Sun at all. I had read Immanuel Velikowsky in the 1960s about the return of Nibiru; and what I suspected was that Official

sources were hiding data and coloring Mars >red<. Somehow Mars was supposed to have a red sky in one image but a blue one in another image.

About 2007 I ran into my first NASA image that was absolutely suspicious. This is an image that shows in plain sight how NASA has been falsely coloring their Mars images, and I was incensed that scientists would do such a thing. How dishonest, I thought.

I eventually re-rendered 20,000 images of the Rovers and fly-bys of Mars. All but a few have “disappeared” off my hard-drives, aux drives and stix.

This image was published in a vivid >green< when in fact what you're looking at is Mars encased in ICE some time after their massive flood in September 2012.

Here's a real, literal Mars milestone for you complete with Annunaki headdress found at Victoria Crater.

Working over the Mars images and the Lunar images, and the Magellan images of Venus (they were awful!), and then the Clementine images, after Jose Escamilla sent me copies of them, I found human life everywhere.

In Clementine images I found evidence those had been shot from behind a large picture window; and one could see reflections of “people” standing in the background behind the photographer. [All my images have been lost, twice, . . . somehow. I turn on my computer one morning, and they're gone.]

I have already put up my double sun images from 2003-2005; then then NASA began their program of publicizing comets and asteroids, and I began taking daily shots of the Sun off the Soho Lasko satellite images. And I watched that Sun deteriorate. I watched it strobing, cracks and fissures developing, arcking and sparking . . . and aging until what you see now . . .

Until 2001, the sun had a textured mantle over it, as a lantern does. How is a mantle applied or removed? How do engineers manage and maintain a sun? NASA's not saying. So I have watched OldSol deteriorate on NASA SOHO LASKO down to burnout, but Astronomers aren't talking about it

If you go to Astronomy Picture of the Day or Lunar Photo of the day, everybody is pretending everything is normal and there are no changes over our heads. This is neurotic and unreal..

Here are Soho Lasko SUN images 2001 through 2015/

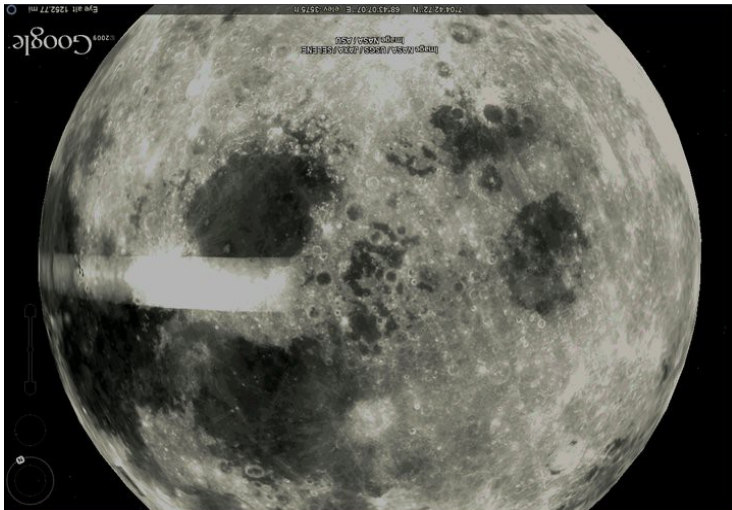

Soho Lasko images of OldSol today reveal a dead sun, colored to appear to be actively shining upon its domain.

What I finally figured out is that something or other surrounded everything around about 2003; Comet Elenin got between us and our [former] Sun around 2011; and by 2012 scientists were once again talking about the Van Allen radiation belts as if that were a new threat (that had been there all along) especially in Apollo daze. Apollo?

To the right is a 1993 video image of the sky with a full moon. To the left is a 2014 video image of the sky with a full moon. Look at the differences in background texture of the sky, will you? But there's more. The Moon is glass.

Look at the image below, taken from Mars with both Earth and our Moon in view.

Earth is 8000 miles in diameter. The Moon is EIGHT Earth-diameters from the

<http://nynerd.com/wp-content/uploads/2008/06/earth-from-mars.jpg>

Moon. How far away is the Moon from the Earth? NOT 226,000 miles, believe me. Do the math.

WHY DO THESE ELIPSE PHOTOS SHOW THE MOON DIFFERENT SIZES?

Our Moon does not always appear to be the same size in the sky, relative to the “disk” of the Sun. In intervening years, “eclipses” have been hoaxed, one after another. The Moon shows up, in color, bathed in colors, tilted, in the wrong place time after time, too bright, all yellow, no detail, wrong size relative to the solar eclipse, etc. . . . The Moon is said by NASA to be 2100 miles in diameter, 226000 miles out. Impossible! What is a person to do, when none of the text complies with any of the images? See pages of images to follow.

Apollo was a joke. NASA didn't lie about some things; NASA lied about everything.

Apollo images had people in them where there shouldn't have been people; equipment where there shouldn't have been machines, ramps and people standing around.

Re-rendering NASA Apollo images--

Nothing was true. Enhanced Contrast showed other people involved in the Moon Shot, not in spacesuits, who had no business being there.

Correcting for rotations and faulty scaling;

--enhancing contrast and hue saturation—personnel visually rubbed out yet still existed in the image's pixels.

Nothing was as NASA said.

I thought my Apollo images were outrageous until I saw Joseph Farrell's Apollo images.

People just walking around! People! I laughed out loud, that anybody in their right mind could believe NASA's Official propaganda. You have to be brainwashed.

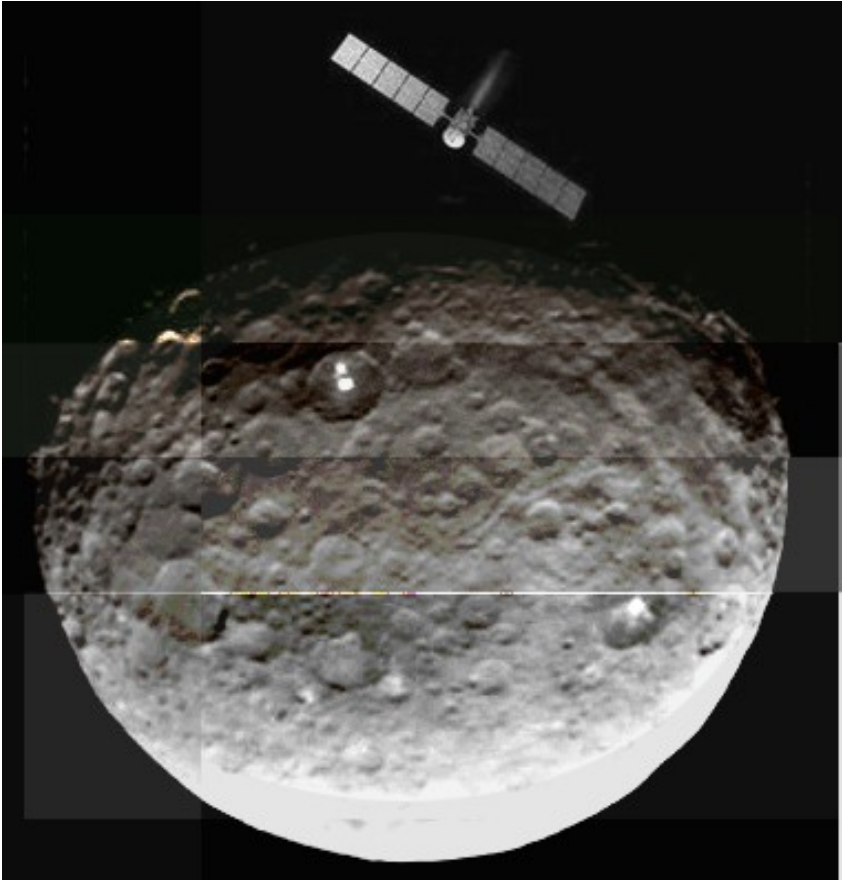

NEXT!

People on asteroids? [I call them “space campers”.]

A widely published NASA image, re-rendered, when an asteroid flew by Earth; . . . and what does NASA say about it, “It might have hit us!” How ignorant. The Universe is peopled with civil and non-civil cultures who understand and apply space mechanics. Asteroids large enough to build eco-spheres on them have eco-spheres on them or inside them.

Yes, asteroids. Now that Earth has left its comfortable spot orbiting OldSol, astronomers are taking photo images of small bodies they never saw before, giving them new names as they go. Look at the upper left corner. People.

Ceres, occupied.

Harklo? [file name], occupied. That's a space station: it has vegetation, artificial lighting, geometric shapes and human figures all over it.

PIA 12593, occupied inside and out. As you can see, it's hollow and there're people in there. ALL my Hartley2 images are missing—all but one composite. I get raided by surveillance agents all the time; and I had dozens of images of Hartley2 because it's so odd.

Hartley2, an asteroid? Then, so is Rock of Gibraltar!

Hartley2 has always mystified me because it's an artificially-lit protuberance on a large flat surface, some sort of monument built upon a hexagonal-shaped building with a pool of water adjacent and people in the pool.

But NASA says this is an asteroid. Oookay. NASA, are we the People truly that stupid? On the basis of this rock labeled as asteroid, the Rock of Gibraltar is also an asteroid.

Finally, Rosetta, filmed by ESA, and also human-occupied.

Come on now.

You mean, the European Space Agency can't see the people either? Aliens? No! People.

People underwater. Undersea Bases.

This is a populated “base” along the Malibu Beach in California. Yes, people live underwater who are not affected. In my photo-wanderings, I have found similar bases at Hudson Bay Canada, Lake Titicaca in Central America, Gulf of Aden in Africa, and especially in the Bermuda Triangle. This image is from Google Earth.

People. They don't always look like we do; and some people can stand on clouds over our heads.

People. Sometimes they live on the inside of a “planet,” not on the outside. This is a closeup of Pluto, thought to be way out on the edge of the solar system. Why do we have this close up picture of Pluto? We passed by it, that's why.

Pluto, used to orbit Saturn until Nibiru tore it off Saturn's orbit and drove it out here beyond the old System. It's still populated inside.

People. NASA makes me furious, I could spit. Remember these shots from the Apollo Mission, when these living moving Beings were labeled as “objects” and “vehicles.” What's the matter with those Racist people? Can't they discern a living Being when they see one? Mobile? Moving at will? Changing shape and color?

This is a Sylph: sentient, intelligent, persistent and wise. This is a Being that inhabits Space Without-A-Suit-ON. YHVH is one of these, the Leader of all of them. He's the Coder who got Life running in this galaxy. He's also the one who get accused of destroying His own creation. I don't buy that.

You mean to tell me, NASA couldn't tell this is a constructed, metal, space vehicle associated with the Nibiru Group?

Come on!

Our skies are looking strange, odd and a little crazy because we're no longer in familiar territory. That's why we can get close-ups of Pluto these days!

This skyview is from South America, and who can say exactly what these spheres are showing up? Of course they have Names; but NASA just makes stuff up because we don't know their names.

This blew me away in 2012. I didn't know whether to laugh or cry. This was supposed to be a solar eclipse in 2012 with that red and yellow thing, supposedly the Moon, covering over that rocky yellow thing, supposedly our Sun. But this “moon” has absolutely nothing in common with the features of our actual physical Moon. So, whatever this is a picture of, I dunno. Maybe God knows.

SUMMARY

What Space Images revealed to me

2007-2014

2005-2006, Venus was flooded revealing terrible poverty and slave Races.

2007-2008 Mars was at war against what looked like our soldiers in camo-fatigues at Victoria Crater beginning when Rover Opportunity collapsed an occupied ridge, and the landslide killed a score of its residents.

2009 NASA bombs south pole of our Moon with an empty rocket casing, puncturing their water reservoir.

2010 Titan Saturn's Moon turned up spectacular.

2010 Saturn had a sign over their front door.

2012, September, Mars was flooded and froze.

2007-2014 During this period of time, planets were removed from their poles and consolidated into the wings of Nemesis, mobilized.

And on and on.

No image is ever what the text says it is.

In the meantime, NASA and SETI keep up their silly dogma about, they wish they might find Life out there sometime in the past or future.

This was Easter Morning 2010, San Jose California, and that sphere at center right is the approaching Nemesis toroid. It's purpose is to energize Planet-X where our whitelight techno-sun is parked.

By now, I had been sky-watching for eight years, constantly, and in San Jose I saw more UFO's than anywhere else.

The Moon seemed out of control, in wild colors. But nobody ever looks at the actual sky anymore, just at--

Google Sky and Slooh and their Astronomy Mapping software. The sky was transformed into textured colors

This is Nemesis the Brown Dwarf Star at night in false color, accompanying whatever swallowed our planet,

whether it's the toroid Planet X or Nibiru itself, I'm not sure. Somebody said, Nibiru's about five years behind us, plummeting south out of harm's way, directly behind us.

And from top-down, here was an explanation right before my eyes, published as the magnetosphere graphic at CCMC. And there's Earth in the middle with the tiny sun on the inner lip of this toroid embracing us, with the Brown dwarf star, Nemesis, on the opposite side. In the meantime, Sirius is diminishing in magnitude but Orion is growing larger and larger by the week.

When you look at our system now from straight on the side, the toroid Planet-X is nestled inside the Van Allen Belts (in turquoise blue).

And you can see, it's no big deal to avoid the Van Allen Belts' radiation if you ingress and egress our atmosphere from the Poles, where no radiation occurs to get in your way. As this cluster plummets straight down, radiation in our atmosphere will eventually be left behind, while our atmosphere will be conserved inside the Planet-X "mantle" by the time we get to Orion, in about fifty years from now.

The sun we have now doesn't even pretend to be round.

Here's my interpretation of our change from solar system to solar cluster, as a result of Comet Elenin's intervention.

The mass of the toroid side 1, Wormwood is equal to the mass of the toroid side 2, Nemesis. Inside, earth is spinning.

Here's what Lick Observatory ought to be showing us more often, the dark matter landmass in our skies. Lick Observatory's All Sky Camera, San Jose California, in ultraviolet, has been revealing [occasionally] huge masses in our “firmament” (used to be : atmosphere).

Friends (Sierra Lord in this case; also, Dawn Hull, Jen Smythe) send me images of our strange skies.

There are dark matter masses up there, that are not merely gaseous. There are straight lines, geometric figures and what looks like architecture. These images are not nothing.

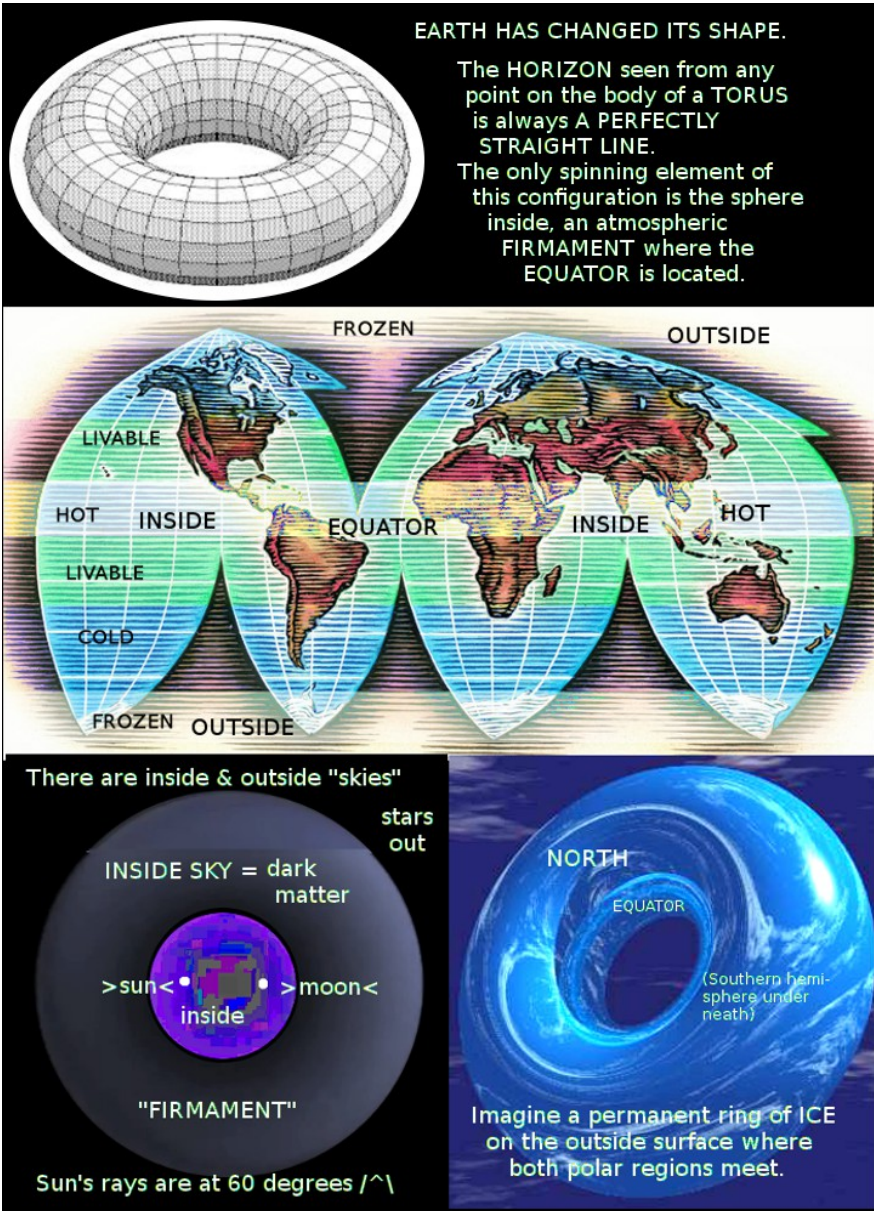

A clear sky is supposed to be nothing but air, right?
So, what's all this TEXTURE & COLOR & shapes?

Public Image sources: Bret Shepard & N. Vlada

It's the **INSIDE** of the new solar configuration, comprised of dark matter and occupied by human dark matter spirits, the transparent "hand" noted above.

We've had two super-imposed suns since 2003, and the effect has been excessive UV penetration of the atmosphere. And because the government can't explain it, they blame greenhouse gases (which are positive in their effect) and they tax citizens for excessive heat from the double-sun (2003 until 2011) and from the techno-sun provided by the dark matter sphere, Wormwood, which apparently has made this adaptation to Earth in the past.

This blazing trail of UV occurred in 2003 over South America.

THE UV HOAX – “Planetary Warming.” Official sun records do not provide year-by-year cross-comparisons for uv radiation on the ground; however, we know chemtrails “salt the skies” with metallic powder (as Annunaki did who attempted to save their atmosphere half a million years ago).

We know chemtrails are reflecting back some of the UV, if not quite enough to prevent bad burns on the skin by sunlight in the summer.

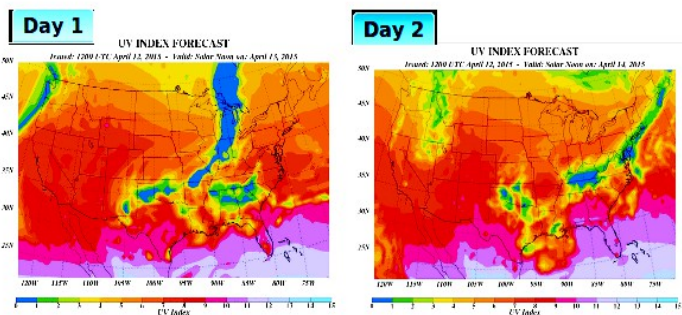

We know the polar regions are freezing harder and harder each year due to the fact, both polar regions receive no direct sun whatsoever, not even in summer. So, our planetary climate is not warming, poles are colder, and seasonal variations are limited to the 22-degree wobble the sun makes that for now define our seasons totally.

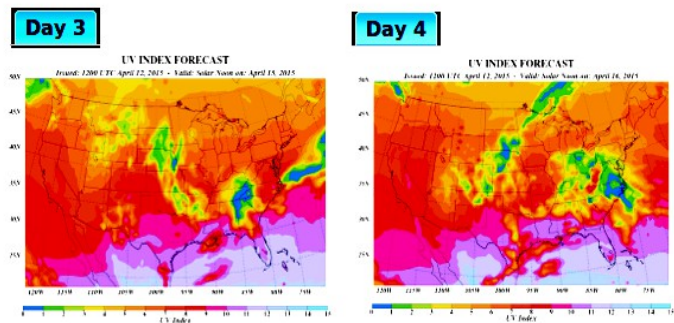

There is no longer an annual trek around a sun; our sun today is tucked inside the sphere and it spins and

wobbles giving us a sense of seasons. Our only calendar is our moon, providing 29-day cycles over our heads.

This sun is very hot, mostly UV, and it covers a band of 60 degrees across the Equator, directly. Due to chemtrails the cloud cover, the amount of UV that reaches the ground varies day-to-day. These US-EPA images display UV-to-ground in the United States over the period April 12-15, 2015.

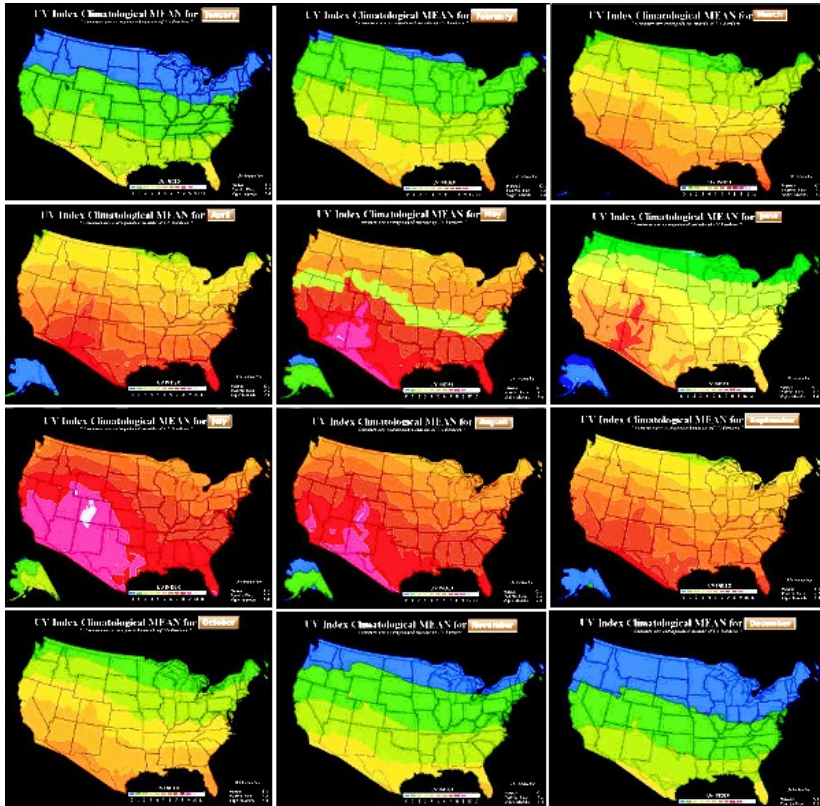

Graphs show day-to-day variability in UV sensed at ground.

These appear very ~hot~ for April, over the long haul, but I was not able to find year-to-year comparisons for UV penetration. I was able to locate month-to-month averages and season-by-season averages, but the years involved

were not published with the illustrations. One has to wonder why EPA engages in such sloppy scholarship.

In the meantime, politics being what it is, TPTP are generating arguments and divisions over who's going to have to pay for the damage caused by excessive UV radiation and families and communities are penalized by carbon taxes, while industry continues to get a free ride.

The truth of the matter: since 2011 Earth is configured in a solar cluster with two suns: Wormwood & Nemesis which occupy the inner “firmament” sphere, with Earth providing the toroid “nest” in which this inner firmament

enlivens our planet, but only where the suns can reach. Outside the torus, where one expects the “tread on the tire” no sunlight reaches, and relentless ice is growing there, a hardening protective mass.

In the skies over our heads, Orion continues to grow and Sirius continues to diminish and grow faint. Earth is on our way south to the Frontier of both Galaxies, Milky Way and Saggitarus.

If we want to be responsible humans being we have to look at the sky—itsself—never mind Official Sky Maps, and make up our own minds. We have to connect with the Intelligence Out There and figure out where our parts are in this Cosmic drama.

And let us cease expecting Hollywood movies, or some video game, or some book of philosophy or ideology to replace our own observations, inferences and decisions. Here. This is OURS. Let us make something of it by denouncing ignorant and ego-dominated leadership and academia.

Today, the sun is not the sun and the moon is not the moon, and there are too many foreign spheres showing up, and Orion is becoming too large, and the old sun is dead.

So, I guess now it's up to you to figure out what happened and why my explanation is all wrong, eh?

Yes, sometimes it feels as if we're witnessing to an overlarge theater of the absurd, just little lights going off and on, but making no sense whatsoever.

“Eventually, everyone takes the red pill.”

Think about this: Fighting in these two Galaxies, Milky Way and Sagittarius, appear to be centered around breeding and whose bloodline is better (“more perfect”) than who else's.

Cosmic wars occur by infiltration of ideologies, revisions of history and Churches' promulgating dogma divided into Annunaki factions; and further, all of us are affected by the Mardukian thrust into Elitism, Trans-humanism and collateral genocide.

Humanity—what's left after we kill each other off by ideology—is headed to a new beginning away from this Galaxy where Racism, Sexism and Population Genocide are common practice. We're on a roll. YHVH Techno-Coder has decided, this old situation will not do.

THE NEW EXODUS (getting with God outta here).

Space is not an escape; it is an endless challenge to life at every stage; and separation is always hard on the ones left behind because they didn't have the vision to want to go with us.

Maybe they couldn't see nor envision our whole Planet as a starship, moving us out of established galactic slavery-by-law and into a form of self-governance in which we consent to and take responsibility for the experiences we bring up and bring to manifestation.

No more false propaganda, scientistic and religious dogma or official false-flag operations. The **Positive**

Timeline is a New Exodus, out of the Slavery of Founders' Galactic political control.

Let us fulfill what was said: *“Ye shall know the truth now, and the Truth shall keep you free.”*

But, the Laws that obtain in the new Galaxy, wherever that turns out to be—will also be difficult because predators and parasites are all over the Universe.

Three Laws in Thermodynamics:

1. You can never win (Karma always follows a Soul.)
2. There's no way to break even, whether you make waves or not.
3. We're not allowed to quit the Game til its over, and it ain't over til it's over. --Casey Stengel, 1949

--Emily Windsor-Cragg, April 15, 2015

NOTE: For residents of the United States, April 15th is the day we all realize, there was never a Law to mandate or coerce tax payments for personal labor. It's been just one more hoax on the people since that tax began, one more hoax, one more false story.

“Ye shall know the truth, and the truth shall set you free.”
