Emily Windsor-Cragg, the only daughter of the late Duke of Windsor, former King Edward VIII of the UK today announced that papers are being filed with the International Criminal Court to indict Her Royal Majesty Queen Elizabeth II with [fraud, malfeasance] Treason for the neglect of Coronation Vows to confront and address conflicts among interests in the United Kingdom over which she had/has authority.

On June 2, 1953, Elizabeth Windsor vowed and promised in her Coronation Vows:

- To govern the peoples of the United Kingdom of Great Britain . . . according to their respective laws and custom -- *not allow UK's being overrun by hostile minorities threatening to bring Sharia Law to the UK, without advising nor consenting by the peoples of Britain.*
- To cause Law and Justice in mercy [English Common Law] to be executed in all [her] judgments – *not giving over and abandon sovereignty by signing SIX Lisbon Treaties, to EU Maritime [Law of the Sea] bureaucratic tyranny, without having advised nor obtained consent of British citizens.*
- To maintain the Laws of God and . . . the Protestant Reformed religion established by law – *not to realign British mores and Ethics with Tavistock Institute's cynicism and nihilism, without having advised nor obtained consent by British citizenry.*
- To maintain and preserve invariable, the settlement of the Church of England, the doctrine, worship, discipline and government thereof – *not to degrade Church leadership into passive-yet-tyrannical political-correctness, common vices, misuse & abuse of children, without having advised nor obtaining consent by Anglican communicants.*

ACTUAL JOB DESCRIPTION [POWERS] of the Queen or King of Britain:

- Power to choose and dismiss a prime minister.
- Power to dismiss ministers and the government, dissolve parliament and call for new elections.
- Power to enact laws and/or veto legislation passed by Parliament.
- Power to issue proclamations with Parliament's consent.
- Power to "exercise Crown prerogatives," including declaration of war and emergency.
- The "right" and privilege to read confidential government documents and intell reports; to advise and to warn.

Papers are filed with Parliament, with the Archbishop of Canterbury and the International Criminal Court to force Elizabeth Windsor and her complicit, compliant "Royal" family to step down so the Royal Bloodline through King Edward's line can take up the Reign and do the job correctly--to confront, mediate, facilitate and problem-solve these conflicts of interest that "Her Majesty" has willfully and negligently allowed to slip through her fingers.
